**Re: In the Matter of Minnesota Power's  
2025 Remaining Life Depreciation Petition  
Docket No. E015/D-25-342  
REPLY COMMENTS**

Dear Ms. Bergman:

Minnesota Power (or the "Company") submits to the Minnesota Public Utilities Commission these Response Comments following the submittal of Final Recommendations by the Department of Commerce, Division of Energy Resources ("Department") on November 3, 2025, in the above-referenced Docket. Minnesota Power appreciates the thorough review of the Company's Petition and agrees with the Department's recommendations. The Company looks forward to a hearing on this matter in the near future and would support utilizing the consent calendar process for this non-contentious Docket.
