In the Matter of the Joint Application for Approval of an Interconnection Agreement for the State of Minnesota by and between CenturyTel of Minnesota, Inc. d/b/a CenturyLink and CenturyLink Communications, LLC
Docket No. P5096, 551/IC-14-794

Dear Dr. Haar:

The Office of the Attorney General – Antitrust and Utilities Division (“OAG”) has reviewed the comments filed by the Minnesota Department of Commerce on October 24, 2014, in each of the above-referenced dockets. In each docket, the Department addressed concerns regarding the choice of law and dispute resolution sections of the negotiated agreements. Among other concerns, the Department noted that exclusive jurisdiction in a distant forum would hinder the ability of the OAG and the Department to intervene or participate in matters affecting the public interest.¹ The Department also raised concerns about the potential surrender of primary jurisdiction by the Commission.

¹ In addition to these more general concerns, in Docket No. P551, P5096/IC-14-794, the choice of law section of the agreement appears to contain a typographical error that misidentifies the proposed forum.

The OAG generally agrees with the Department's analysis on these matters and joins in the Department's recommendation that the agreements in each docket, as currently written, be rejected.

Sincerely,
