

#2 Great Plains Natural Gas Co., a Division of Montana-Dakota Utilities Co.

Approval of Changes in Contract Demand Entitlements for the 2019-2020 Winter Heating Season (G004/M-19-430) April 23, 2020

Decision alternative from Commissioner Tuma

Additional decision options:

5. Require Great Plains in its next demand entitlement filing and any follow-up supplemental filings, to provide a detailed explanation of the excess in reserve capacity, any impediments to efforts being made to release the excess capacity and the impact on the Reserve Margin for 2020 – 2021 heating season. This shall include at a minimum a detailed description of their marketing efforts, when capacity releases were offered, amounts and prices offered but not accepted and amounts released along with the payments received for those releases.
