In the Matter of 2016 Facilities Based 911 Plan Update for Charter Fiberlink CCO, LLC
Docket: 16-757

COMMENTS OF THE MINNESOTA DEPARTMENT OF PUBLIC SAFETY

The Minnesota Department of Public Safety, Division of Emergency Communication Networks (DPS-ECN) has reviewed the { X } Facilities Based { } Reseller/UNE 911 Plan filed by the above described telecommunication service provider in this matter.

The 911 Plan submitted to the Commission on September 14, 2016, by the above described telecommunication service provider appears to satisfactorily address the requirements of Minnesota Public Utilities Commission rules, Chapter 7811.0550 or 7812.0550, Minnesota Department of Public Safety rules, Chapter 7580 and applicable statutory requirements of Minnesota Statutes Chapter 403 subject to the following additional comments.

{ X } DPS-ECN has no objections to the final approval of the above described 911 Plan.

{ } DPS-ECN would seek clarification or correction of the following issues before the above described 911 Plan is finally approved.

{ } DPS-ECN supports final approval of the above described 911 Plan but would suggest that the Company address the following issues in its next annual 911 Plan update.

This determination is based solely on a review of the 911 plan submitted by the above described telecommunication service provider and is subject to change if any of the information contained in the 911 plan is subsequently determined to be incomplete or inaccurate. We would also request that if there are any changes to methods, operations, procedures, configuration, routing, service area or other significant alterations described in the 911 plan, the telecommunication service provider should be required to submit an amendment of the 911 plan to the Public Utilities Commission and DPS-ECN. The Department of Public Safety, Minnesota 911 Program, requests at a minimum, an update to the 911 plan be made on an annual basis, no later than June 1 of each year.
