An Administrative Law Judge will conduct the hearing starting at 10:30 a.m. on Monday, December 6, 2021 **until everyone who wants to comment has had the chance to do so, if possible, but no later than 4:30 p.m.** To find out whether the Commission will adopt the rules without a hearing or if it will hold the hearing, you should contact the agency contact person after November 17, 2021 and before December 6, 2021.

Agency Contact Person. Submit any comments or questions on the rules or written requests for a public hearing to the agency contact person. The agency contact person is: Kate

Kahlert at Public Utilities Commission, 121 7th Place East, Suite 350, Saint Paul, MN 55101-2147, 651-201-2239, 651-297-7073, kate.kahlert@state.mn.us.

Subject of Rules and Statutory Authority. The proposed rules govern the procedures applicable to the Commission's consideration of certificate of need applications, and site and route permit applications. The proposed rules will also repeal Minn. R. 7829.2550, which governs notice plan filing requirements. The following additional rule parts will also be repealed: Minn. R. 7829.2550; 7849.0230; 7849.0240; 7849.1100; 7849.1300; 7850.1600; 7850.2000; 7850.2600; 7850.2900; 7850.3000; 7850.3100; 7850.3200; 7850.3300; 7850.3400; 7850.3500; 7850.3600; 7850.4000; 7850.4200.

The proposed rules incorporate statutory changes affecting certificates of need. They also repeal the rule requiring certificate of need notice plan filings, and they update, improve, clarify, and reorganize Commission procedures governing the review of applications for certificates of need and site and route permits.

For certificate of need applications, the proposed rules incorporate statutory amendments; update notice requirements; shorten the timeframe for the Commission's administrative determination on application completeness; establish updated application content requirements, including for independent power producers; and update the process governing the Environmental Report, which is required in certificate of need cases. The proposed rules also require use of a process schedule that is designed to establish procedural review timelines on a case-by-case basis in a manner that is both project-responsive and consistent with applicable statutory deadlines.

For site or route permit applications, the proposed rules update existing notice requirements; establish pre-application procedures for transmission line projects; clarify and update environmental review requirements; and establish and update post-permitting requirements. The proposed rules also require use of a process schedule, as described above, that is designed to establish procedural review timelines on a case-by-case basis in a manner that is both project-responsive and consistent with applicable statutory deadlines.

The statutory authority to adopt the rules is *Minnesota Statutes*, section §§ 216A.05; 216B.08; 216E.03, subd. 10; 216E.04, subd. 9; 216E.08; and 216E.16. A copy of the proposed rules is published in the *State Register* and attached to this notice as mailed.

Comments. You have until 4:30 p.m. on Wednesday November 17, 2021 to submit written comment in support of or in opposition to the proposed rules or any part or subpart of the rules. Your comment must be in writing and received by the agency contact person by the due date. Comment is encouraged. Your comments should identify the portion of the proposed rules addressed, the reason for the comment, and any change proposed. You are encouraged to propose any change that you desire. Any comments that you have about the legality of the proposed rules must also be made during this comment period. Please refer to Docket No. E, ET, IP-999/R-12-1246 in your comments. You may also electronically file your comments using the Commission's electronic filing system located at: <https://www.edockets.state.mn.us/EFiling>.

Request for a Hearing. In addition to submitting comments, you may also request that the Commission hold a hearing on the rules. You must make your request for a public hearing in

writing, which the agency contact person must receive by 4:30 p.m. on Wednesday, November 17, 2021. You must include your name and address in your written request. In addition, you must identify the portion of the proposed rules that you object to or state that you oppose the entire set of rules. Any request that does not comply with these requirements is not valid and the agency cannot count it when determining whether it must hold a public hearing. You are also encouraged to state the reason for the request and any changes you want made to the proposed rules.

Withdrawal of Requests. If 25 or more persons submit a valid written request for a hearing, the Commission will hold a public hearing unless a sufficient number of persons withdraw their requests in writing. If enough requests for hearing are withdrawn to reduce the number below 25, the agency must give written notice of this to all persons who requested a hearing, explain the actions the agency took to effect the withdrawal, and ask for written comments on this action. If a public hearing is required, the agency will follow the procedures in *Minnesota Statutes*, sections 14.131 to 14.20.

Alternative Format/Accommodation. Upon request, this information can be made available in an alternative format, such as large print, braille, or audio. To make such a request or if you need an accommodation to make this hearing accessible, please contact the agency contact person at the address or telephone number listed above.

Modifications. The Commission might modify the proposed rules, either as a result of public comment or as a result of the rule hearing process. It must support modifications by data and views submitted to the agency or presented at the hearing. The adopted rules may not be substantially different than these proposed rules unless the Commission follows the procedure under *Minnesota Rules*, part 1400.2110. If the proposed rules affect you in any way, the Commission encourages you to participate in the rulemaking process.

Cancellation of Hearing. The Commission will cancel the hearing scheduled for December 6, 2021 if the agency does not receive requests for a hearing from 25 or more persons. If you requested a public hearing, the agency will notify you before the scheduled hearing whether the hearing will be held. You may also call the agency contact person at 651-201-2239 after November 17, 2021 to find out whether the hearing will be held. On the scheduled day, you may check for whether the hearing will be held by going on-line at <https://mn.gov/puc/activities/rulemaking/>.

Notice of Hearing. If 25 or more persons submit valid written requests for a public hearing on the rules, the Commission will hold a hearing following the procedures in *Minnesota Statutes*, sections 14.131 to 14.20. The Commission will hold the hearing on the date and at the time and place listed above. The hearing will continue until all interested persons have been heard. Administrative Law Judge Kimberly Middendorf is assigned to conduct the hearing. Judge Middendorf's Legal Assistant, Michelle Severson, can be reached at the Office of Administrative Hearings, 600 North Robert Street, P.O. Box 64620, Saint Paul, Minnesota 55164-0620, telephone 651-361-7900 and fax 651-539-0310 or denise.collins@state.mn.us.

Hearing Procedure. If the Commission holds a hearing, you and all interested or affected persons, including representatives of associations or other interested groups, will have

an opportunity to participate. You may present your views either orally at the hearing or in writing at any time before the hearing record closes. All evidence presented should relate to the proposed rules. You may also submit written material to the Administrative Law Judge to be recorded in the hearing record for five working days after the public hearing ends. At the hearing the Administrative Law Judge may order that this five-day comment period is extended for a longer period but not more than 20 calendar days. Following the comment period, there is a five-working-day rebuttal period when the agency and any interested person may respond in writing to any new information submitted. No one may submit new evidence during the five-day rebuttal period.

All post-hearing comments and responses must be submitted to the Administrative Law Judge no later than 4:30 p.m. on the due date. The Office of Administrative Hearings strongly encourages all persons submitting comments and responses to do so using the Commission's electronic filing system at:

[Administrative Hearings' Rulemaking eComments website](https://minnesotaoah.granicusideas.com/discussions)
<https://minnesotaoah.granicusideas.com/discussions>. If using the e-Filing website is not possible, you may submit post-hearing comments in person, via United States mail, or by facsimile addressed to Judge Middendorf at the address or facsimile number listed in the Notice of Hearing section above.

All comments or responses received will be available for review at the Commission or on the agency's website at <https://mn.gov/puc/activities/rulemaking/>. This rule hearing procedure is governed by *Minnesota Rules*, parts 1400.2000 to 1400.2240, and *Minnesota Statutes*, sections 14.131 to 14.20. You may direct questions about the procedure to the Administrative Law Judge.

Statement of Need and Reasonableness. The statement of need and reasonableness summarizes the justification for the proposed rules, including a description of who will be affected by the proposed rules and an estimate of the probable cost of the proposed rules. It is now available from the agency contact person. You may review or obtain copies for the cost of reproduction by contacting the agency contact person. You may also find the statement of need and reasonableness here: <https://mn.gov/puc/activities/rulemaking/>.

Lobbyist Registration. *Minnesota Statutes*, chapter 10A, requires each lobbyist to register with the State Campaign Finance and Public Disclosure Board. Ask any questions about this requirement of the Campaign Finance and Public Disclosure Board at: Suite #190, Centennial Building, 658 Cedar Street, St. Paul, Minnesota 55155, telephone (651) 539-1180 or 1-800-657-3889.

Adoption Procedure if No Hearing. If no hearing is required, the agency may adopt the rules after the end of the comment period. The Commission will submit the rules and supporting documents to the Office of Administrative Hearings for a legal review. You may ask to be notified of the date the rules are submitted to the office. If you want to receive notice of this, to receive a copy of the adopted rules, or to register with the agency to receive notice of future rule proceedings, submit your request to the agency contact person listed above.

Adoption Procedure after a Hearing. If a hearing is held, after the close of the hearing record, the Administrative Law Judge will issue a report on the proposed rules. You may ask to be notified of the date that the Administrative Law Judge's report will become available, and can make this request at the hearing or in writing to the Administrative Law Judge. You may also ask to be notified of the date that the agency adopts the rules and the rules are filed with the Secretary of State by requesting this at the hearing or by writing to the agency contact person stated above.

Order. I order that the rulemaking hearing be held at the date, time, and location listed above.
