Also as set forth in the application, and as recognized by the Commission in its order, Charter Telephone of Minnesota, LLC's predecessor, in Docket No. P-5615/NA-98-1512, acquired local niche authority for a number of exchanges served by Qwest Corporation, Mankato Citizens Telephone Company, Embarq Minnesota, Inc., Blue Earth Valley Telephone Company, Melrose Telephone Company and Eagle Valley Telephone Company.

The foregoing list of exchanges and rate centers is being provided in lieu of providing a map describing Charter Fiberlink CC VIII's proposed expansion area. In addition, Charter Fiberlink CC VIII has served notice of this Application on all affected municipalities and local telephone companies certified in the expansion area. The form of the notice is attached to this Application at

² In Docket No. P5535, 6186/PA-08-1499 (February 3, 2009), the Commission approved a transaction by which Midcontinent Communications acquired assets of Charter Fiberlink, LLC (the Charter Communications, Inc. subsidiary that provided local exchange services in Minnesota prior to the effective date of operations of Charter Fiberlink CC VIII and its affiliate Charter Fiberlink CCO, LLC) pertaining to the Bemidji, Cass Lake, Fairmount, International Falls and Ranier exchanges. Charter Fiberlink CC VIII is no longer providing local exchange services to those exchanges.

Exhibit “A.” The Affidavit of Service regarding Charter Fiberlink CC VIII’s service of the notice is attached to this Application at Exhibit “B.”

4. **Interconnection Agreement.** Through Charter Fiberlink CCO, LLC, which is affiliated and shares a common management team with Charter Fiberlink CC VIII, interconnection arrangements were made with Mid-State Telephone Company d/b/a TDS Telecom. 5. **Managerial, Technical and Financial Capability.** Charter Fiberlink CC VIII possesses sufficient business experience and technical, managerial and financial capability to provide facilities-based local exchange services, resold local exchange services, interexchange services and local niche services in the proposed service areas for which Charter Fiberlink CC VIII requests authority in this Application. the additional exchanges and rate centers described in this Application. Charter Fiberlink CC VIII also requests that the Commission grant such other or additional relief that the Commission deems just and proper.
