MPUC Docket Nos. IP-7153/GS-25-89 and IP-7153/ESS-25-88

Dear Mr. Bull:

In the Joint Site Permit Application filed for the above-referenced matters, the owner of Summit Lake Solar, LLC was noted as National Grid Renewables. On May 30, 2025, National Grid Renewables was acquired by Brookfield Asset Management ("Brookfield") and its institutional partners. As a result of that acquisition, National Grid Renewables' company name changed to Geronimo Power, LLC ("Geronimo"). The applicant in this matter has not changed and will continue to be Summit Lake Solar, LLC.

This filing is being provided merely to update the contents of the Joint Site Permit Application and to provide updated contact information for the representatives from Geronimo to whom correspondence on these matters should be addressed:
