Proposed Customer Transition Plan

MPUC Docket No. _____

SUMMARY OF FILING

Pursuant to Minnesota Statutes Chapter 237, Section 237.181, Petitioners Frontier Communications of Minnesota, Inc. (“Frontier Minnesota”), and Citizens Telecommunications Company of Minnesota, LLC (“Citizens Minnesota”), both Verizon companies, request approval of a proposed Customer Transition Plan to discontinue the provision of copper-based Plain Old Telephone Service (“POTS”) at locations where customers have access to Verizon as an alternative provider of modern replacement services. In this Petition, Frontier Minnesota and Citizens Minnesota seek to replace outdated copper-based POTS with Verizon fiber and wireless-based services that the Federal Communications Commission has confirmed are adequate replacements.
