We would definitely prefer short responsive comments.

Michelle, in the 20-522 Docket, concerning CenturyLink's petition to terminate service to KTF, the parties filed comments on 9/30/2020. The Department sent CenturyLink some IRs concerning those comments, which were returned yesterday. There are a couple of things we would like to call to the Commission's attention. Our preference would be to file short comments, but if you prefer, we could wait until oral argument to share our thoughts.

Do you have a preference on whether we file short responsive comments, or to wait for oral argument?
