Sherco Solar 3 | Map B1 | Overview

- |                              |                     |
|------------------------------|---------------------|
| Land Control Area            | Inverters           |
| Preliminary Development Area | Arrays              |
| Fenced Areas                 | Substation          |
| Collection Corridor          | Wetlands            |
| Collection                   | Delineated Ponds    |
| Collection Bores             | Delineated Wetlands |

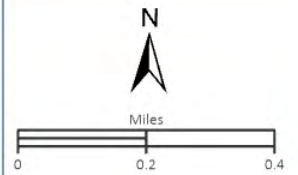

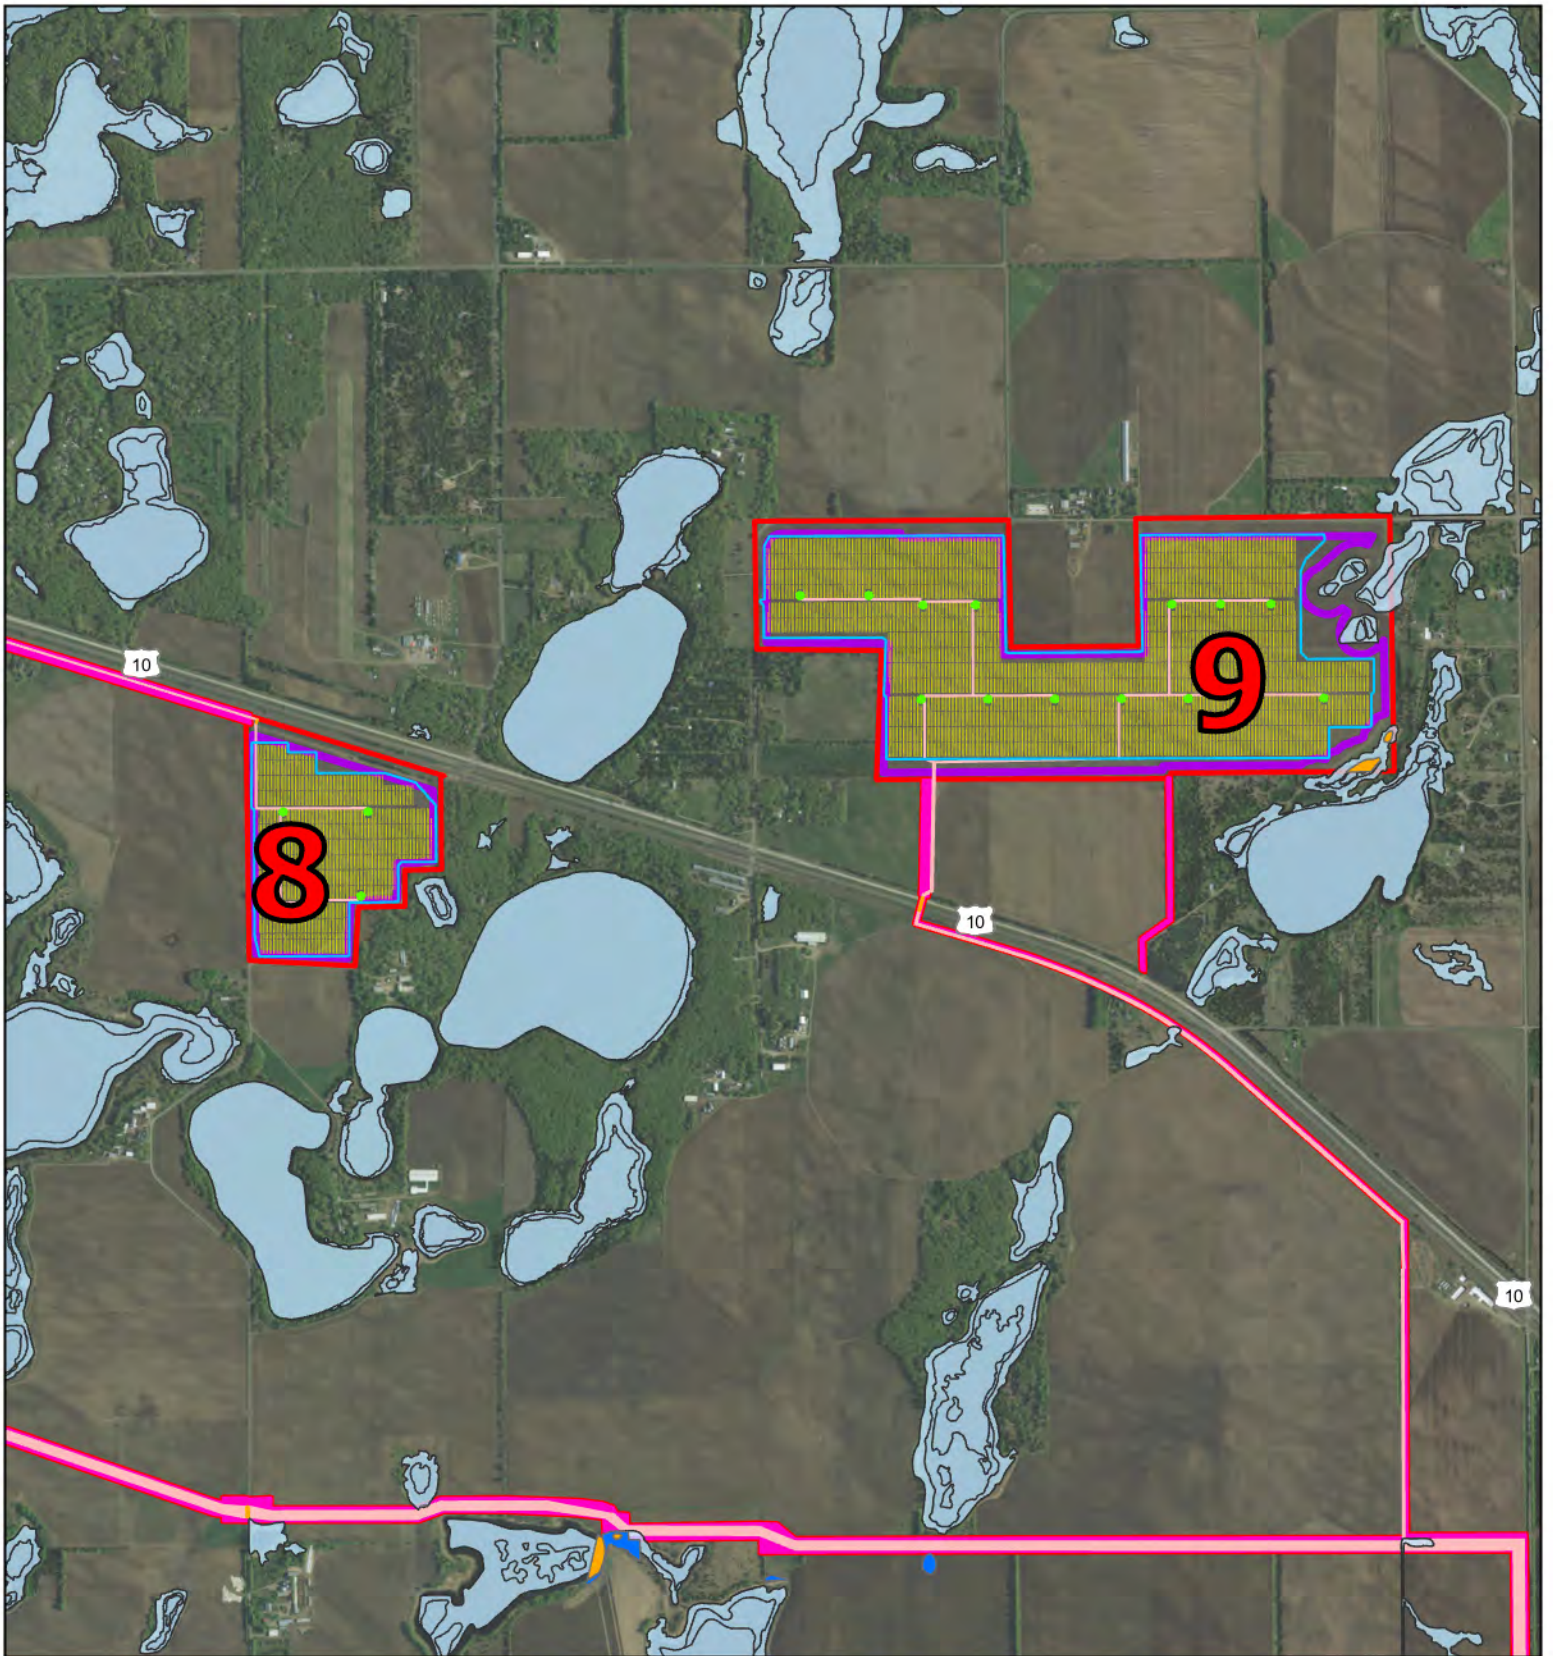

Sherco Solar 3 | Map B1 | Sheet 1

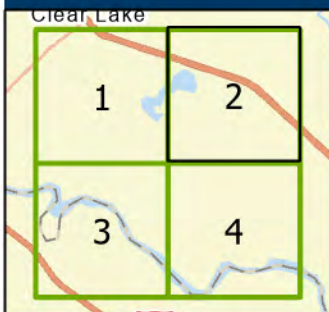

- |                              |                     |
|------------------------------|---------------------|
| Land Control Area            | Inverters           |
| Preliminary Development Area | Arrays              |
| Fenced Areas                 | Substation          |
| Collection Corridor          | Wetlands            |
| Collection                   | Delineated Ponds    |
| Collection Bores             | Delineated Wetlands |

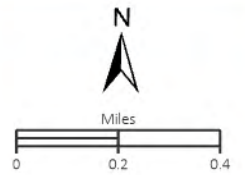

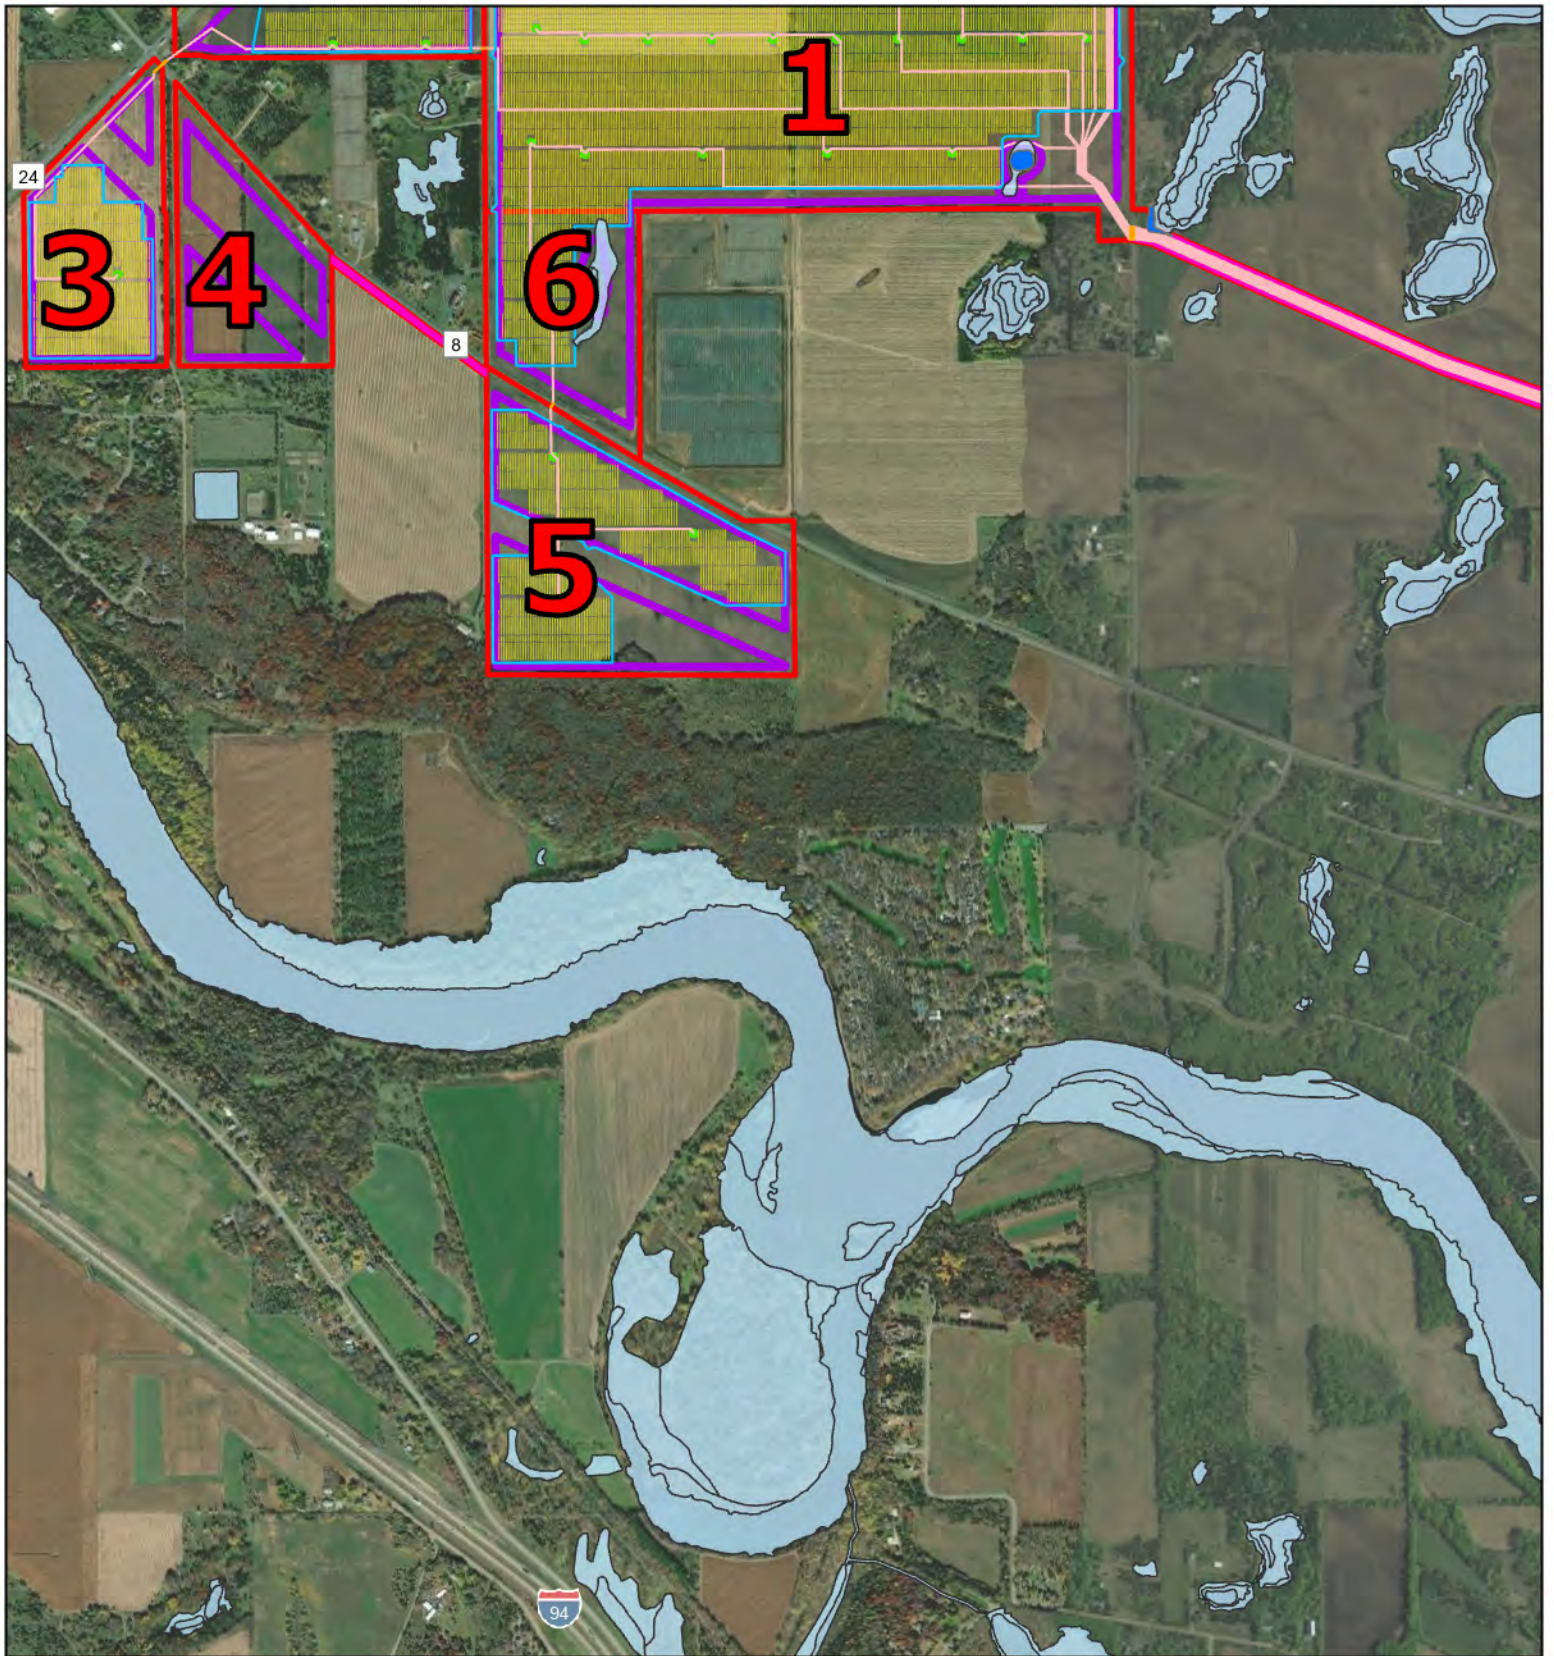

Sherco Solar 3 | Map B1 | Sheet 2

- |                              |                     |
|------------------------------|---------------------|
| Land Control Area            | Inverters           |
| Preliminary Development Area | Arrays              |
| Fenced Areas                 | Substation          |
| Collection Corridor          | Wetlands            |
| Collection                   | Delineated Ponds    |
| Collection Bores             | Delineated Wetlands |

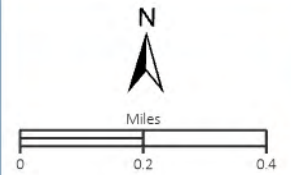

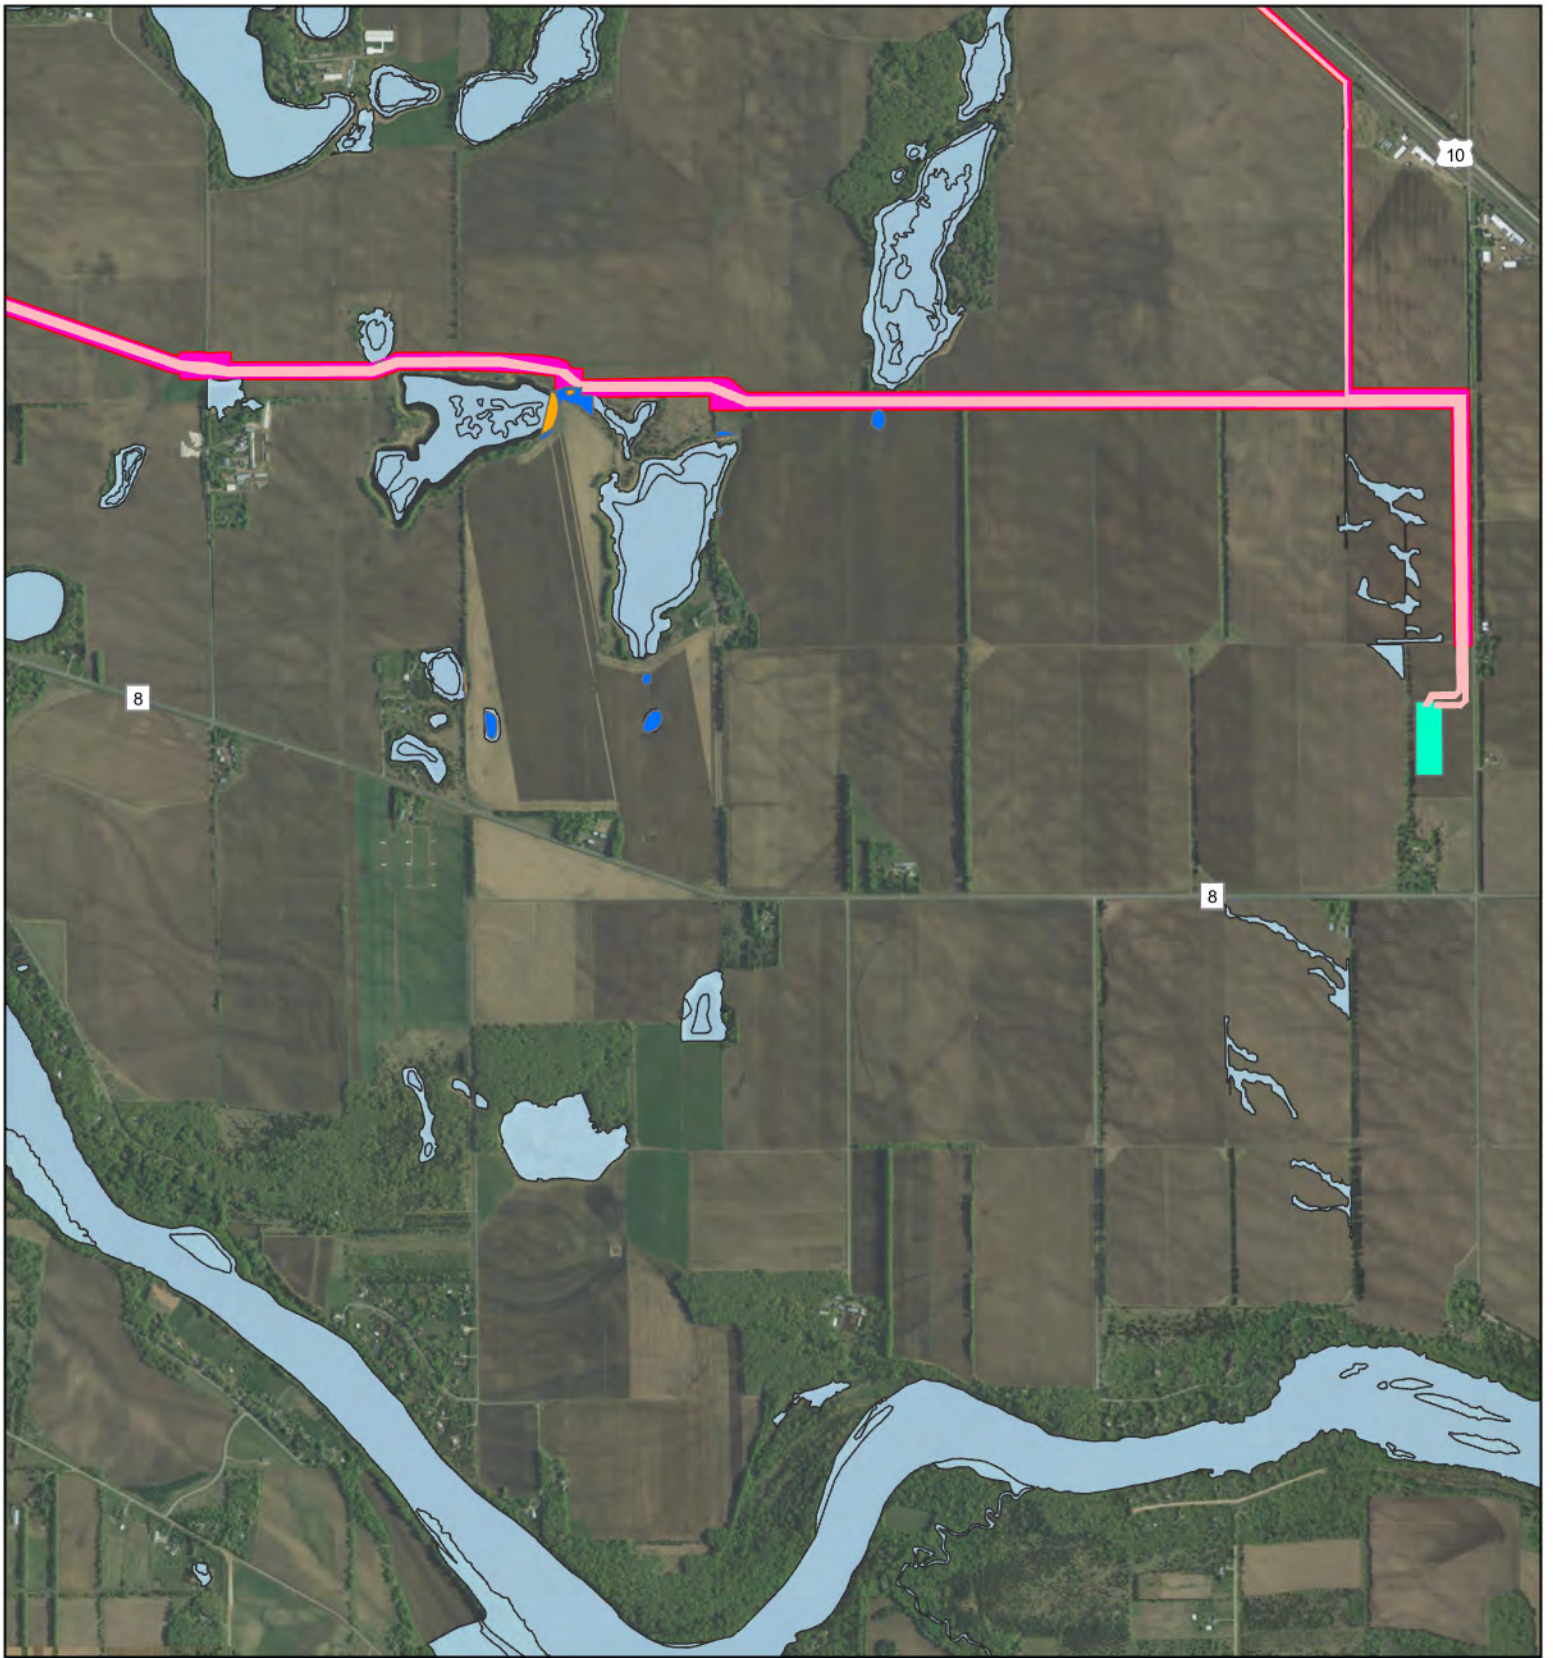

Sherco Solar 3 | Map B1 | Sheet 3

- |                              |                     |
|------------------------------|---------------------|
| Land Control Area            | Inverters           |
| Preliminary Development Area | Arrays              |
| Fenced Areas                 | Substation          |
| Collection Corridor          | Wetlands            |
| Collection                   | Delineated Ponds    |
| Collection Bores             | Delineated Wetlands |

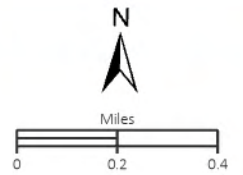

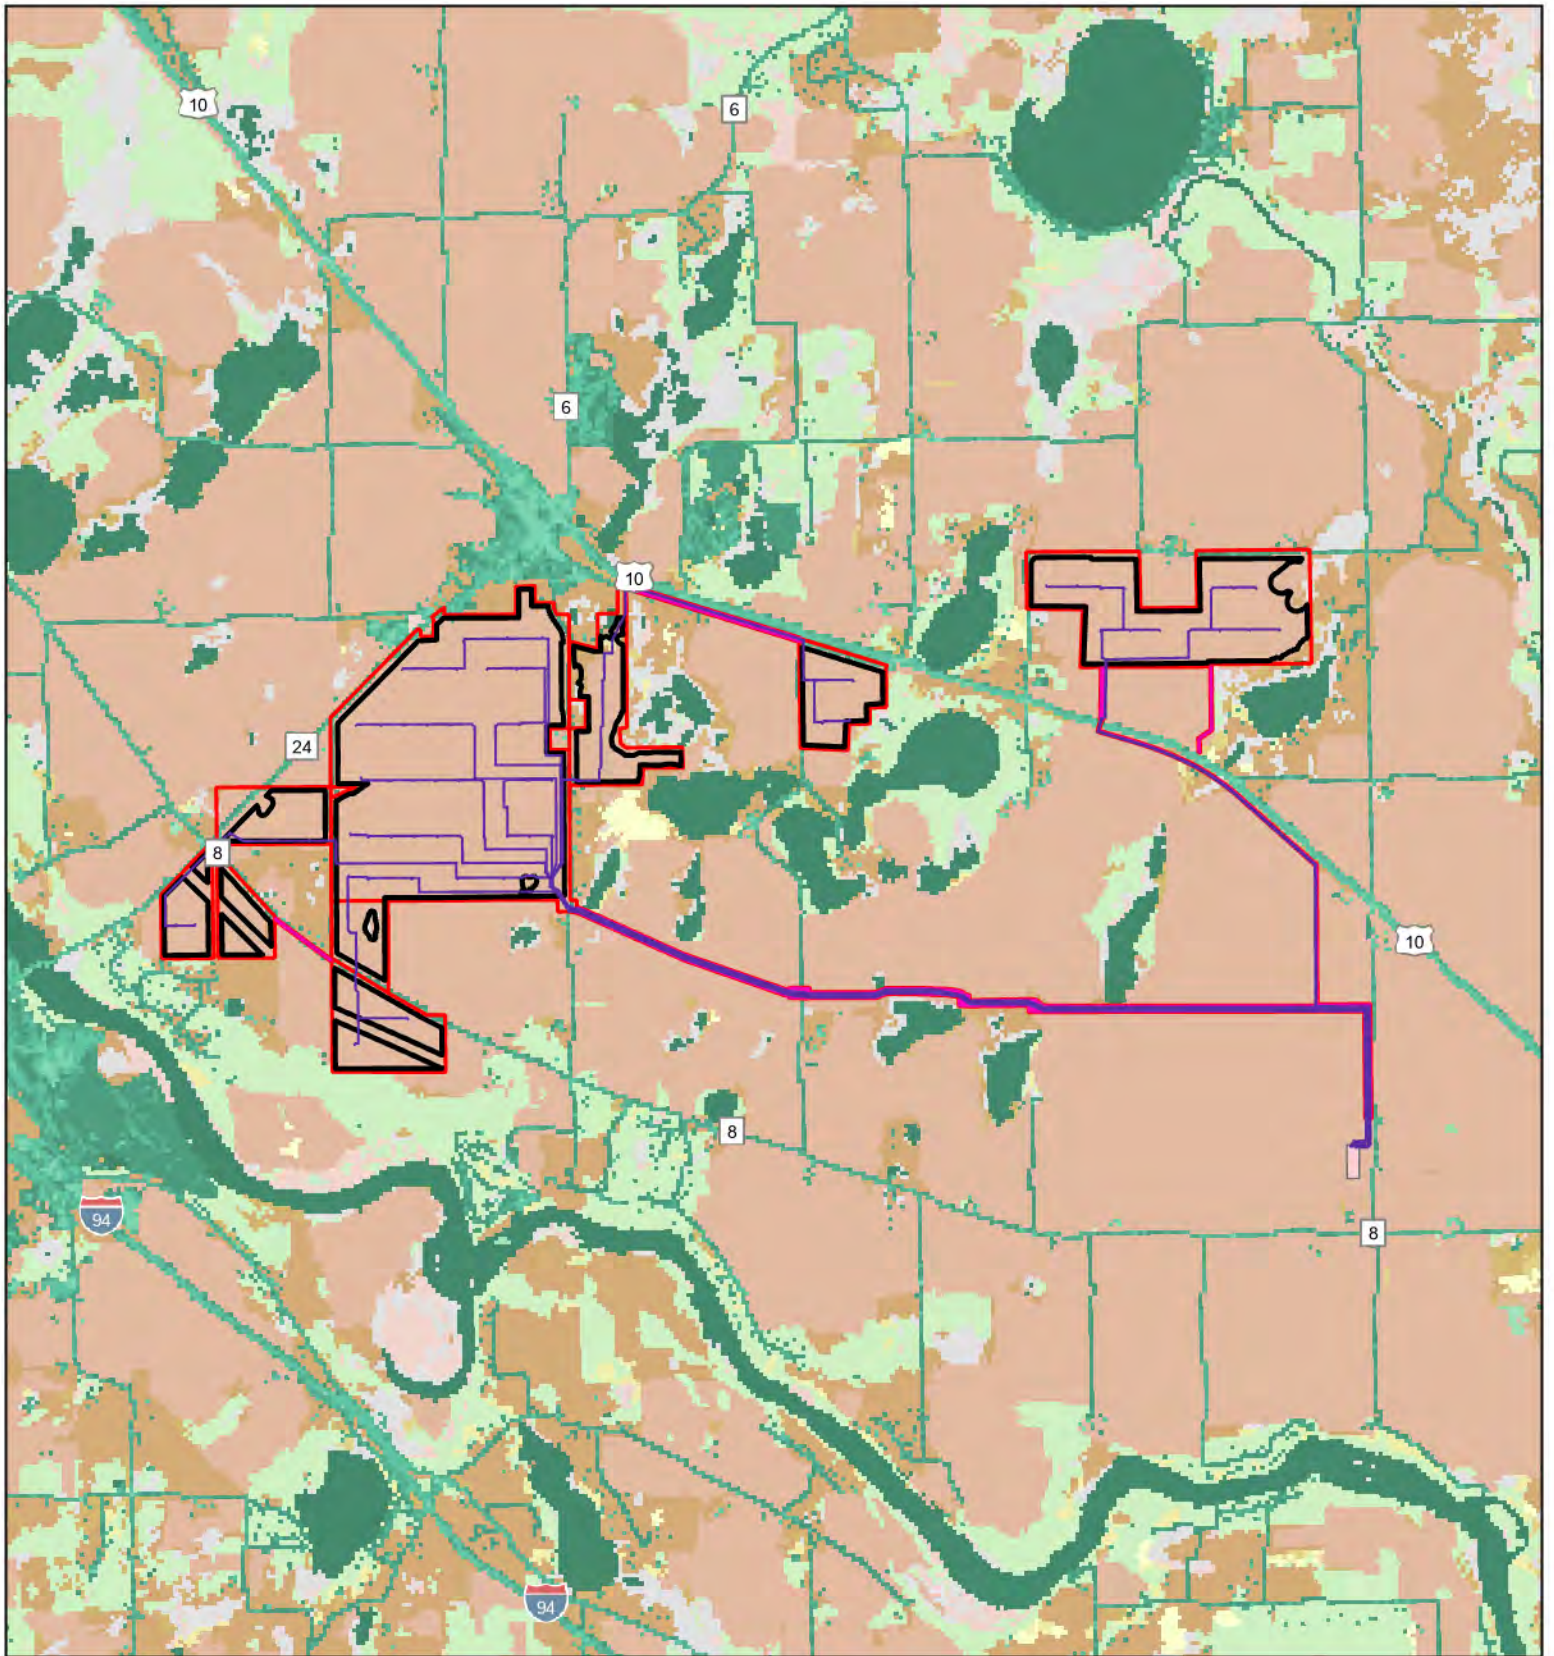

Sherco Solar 3 | Map B1 | Sheet 4

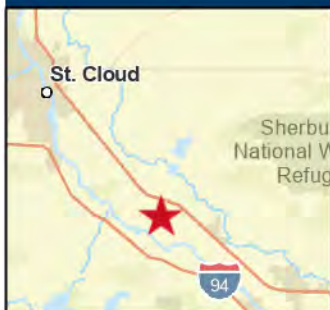

- |                              |                     |
|------------------------------|---------------------|
| Land Control Area            | Inverters           |
| Preliminary Development Area | Arrays              |
| Fenced Areas                 | Substation          |
| Collection Corridor          | Wetlands            |
| Collection                   | Delineated Ponds    |
| Collection Bores             | Delineated Wetlands |

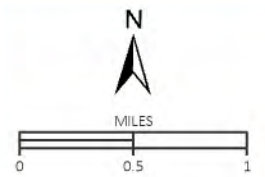

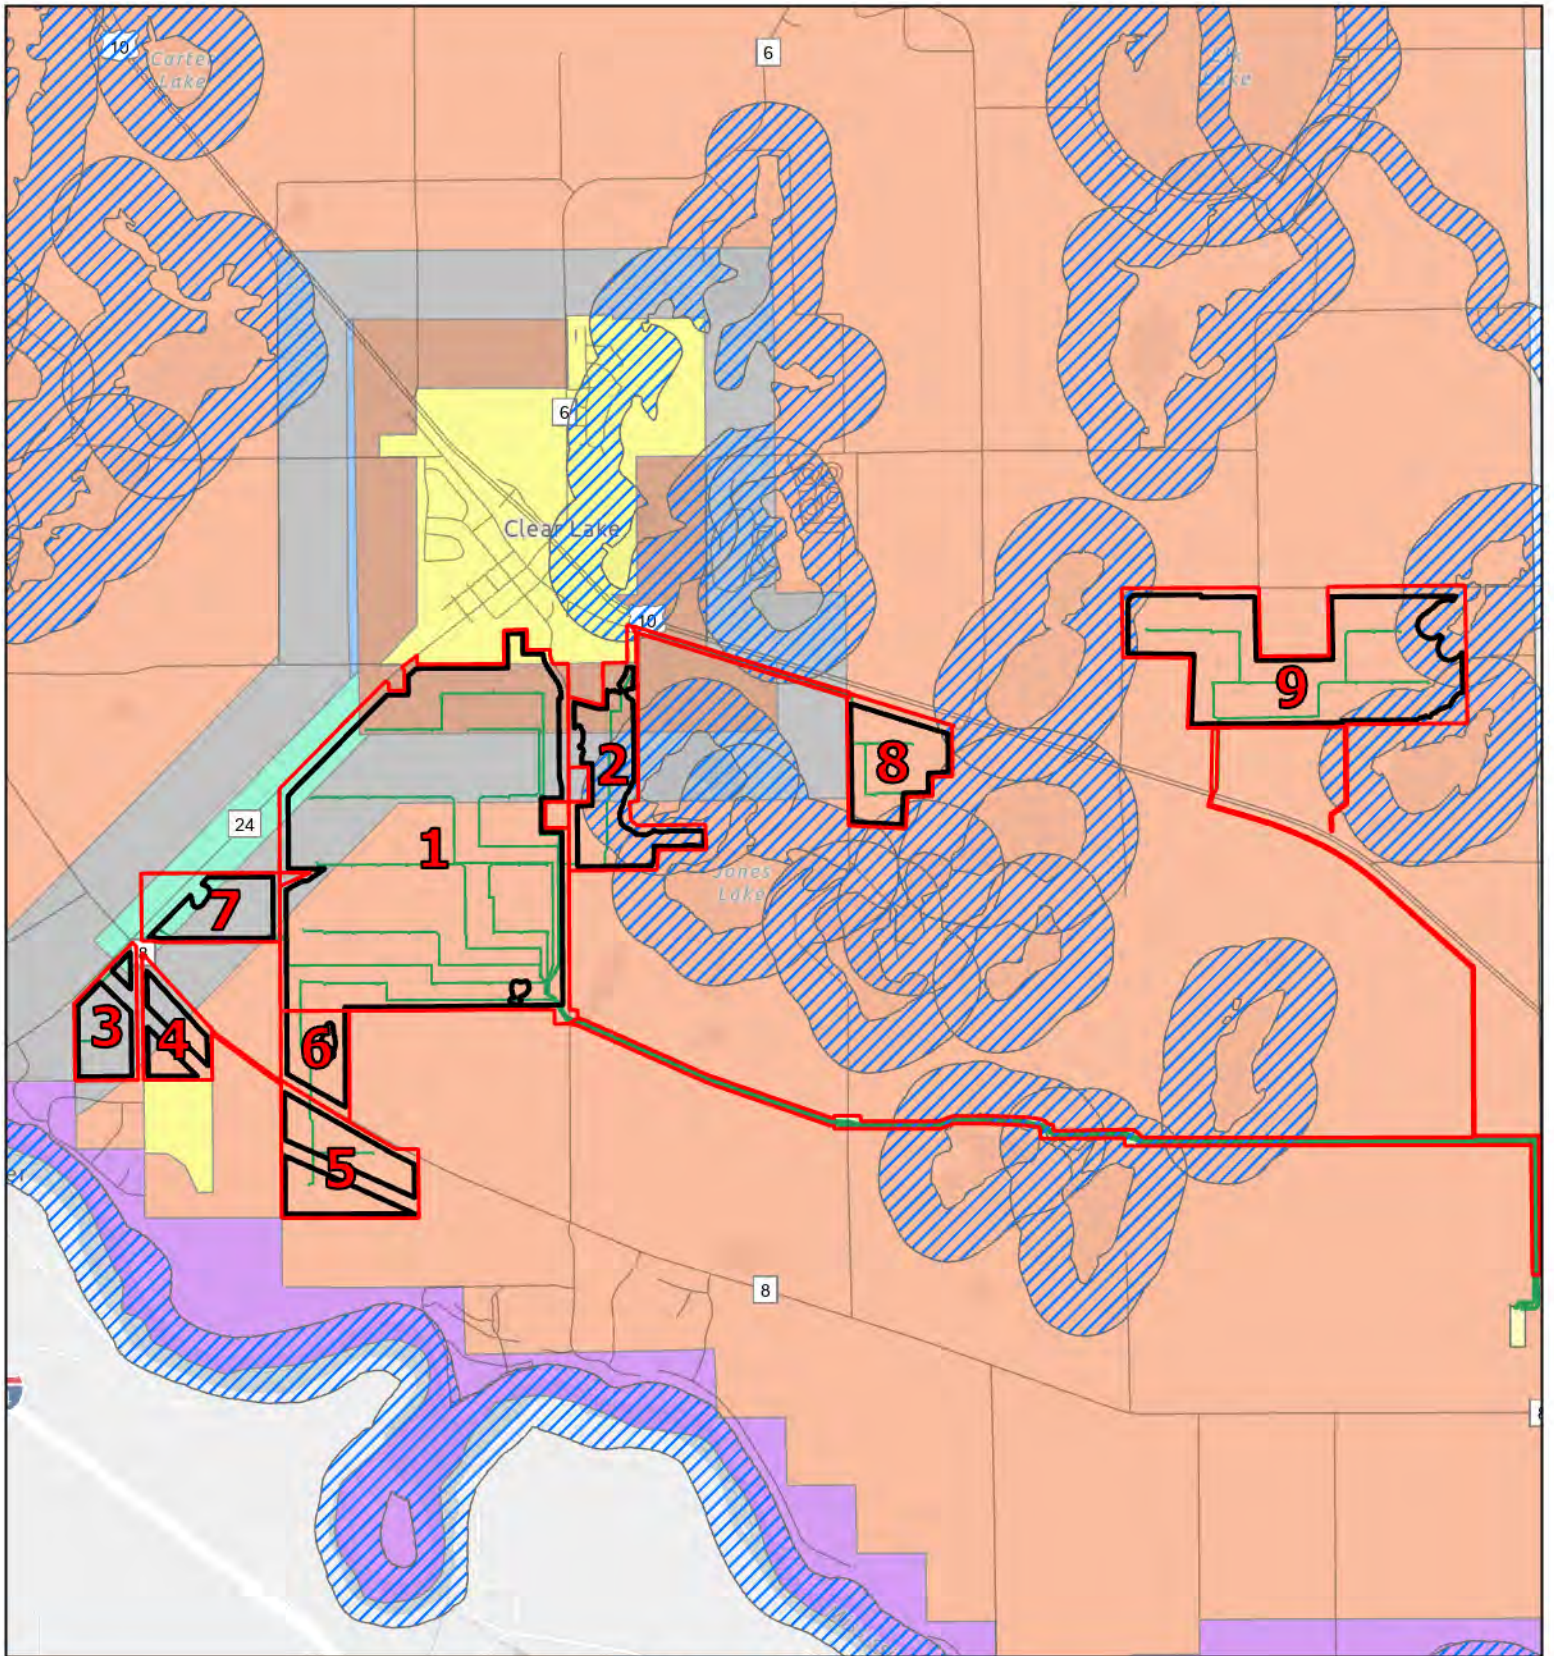

Sherco Solar 3 | Map B2 | Land Cover

Land Control Area	Developed, Open Space	Mixed Forest
Preliminary Development Area	Developed, Low Intensity	Shrub/Scrub
Collection	Developed, Medium Intensity	Grassland/Herbaceous
Substation	Developed, High Intensity	Pasture/Hay
Collection Corridor	Barren Land (Rock/Sand/Clay)	Cultivated Crops
<b>Land Cover Class</b>	Deciduous Forest	Woody Wetlands
Open Water	Evergreen Forest	Emergent Herbaceous Wetlands

### Sherco Solar 3 | Map B3 | Zoning

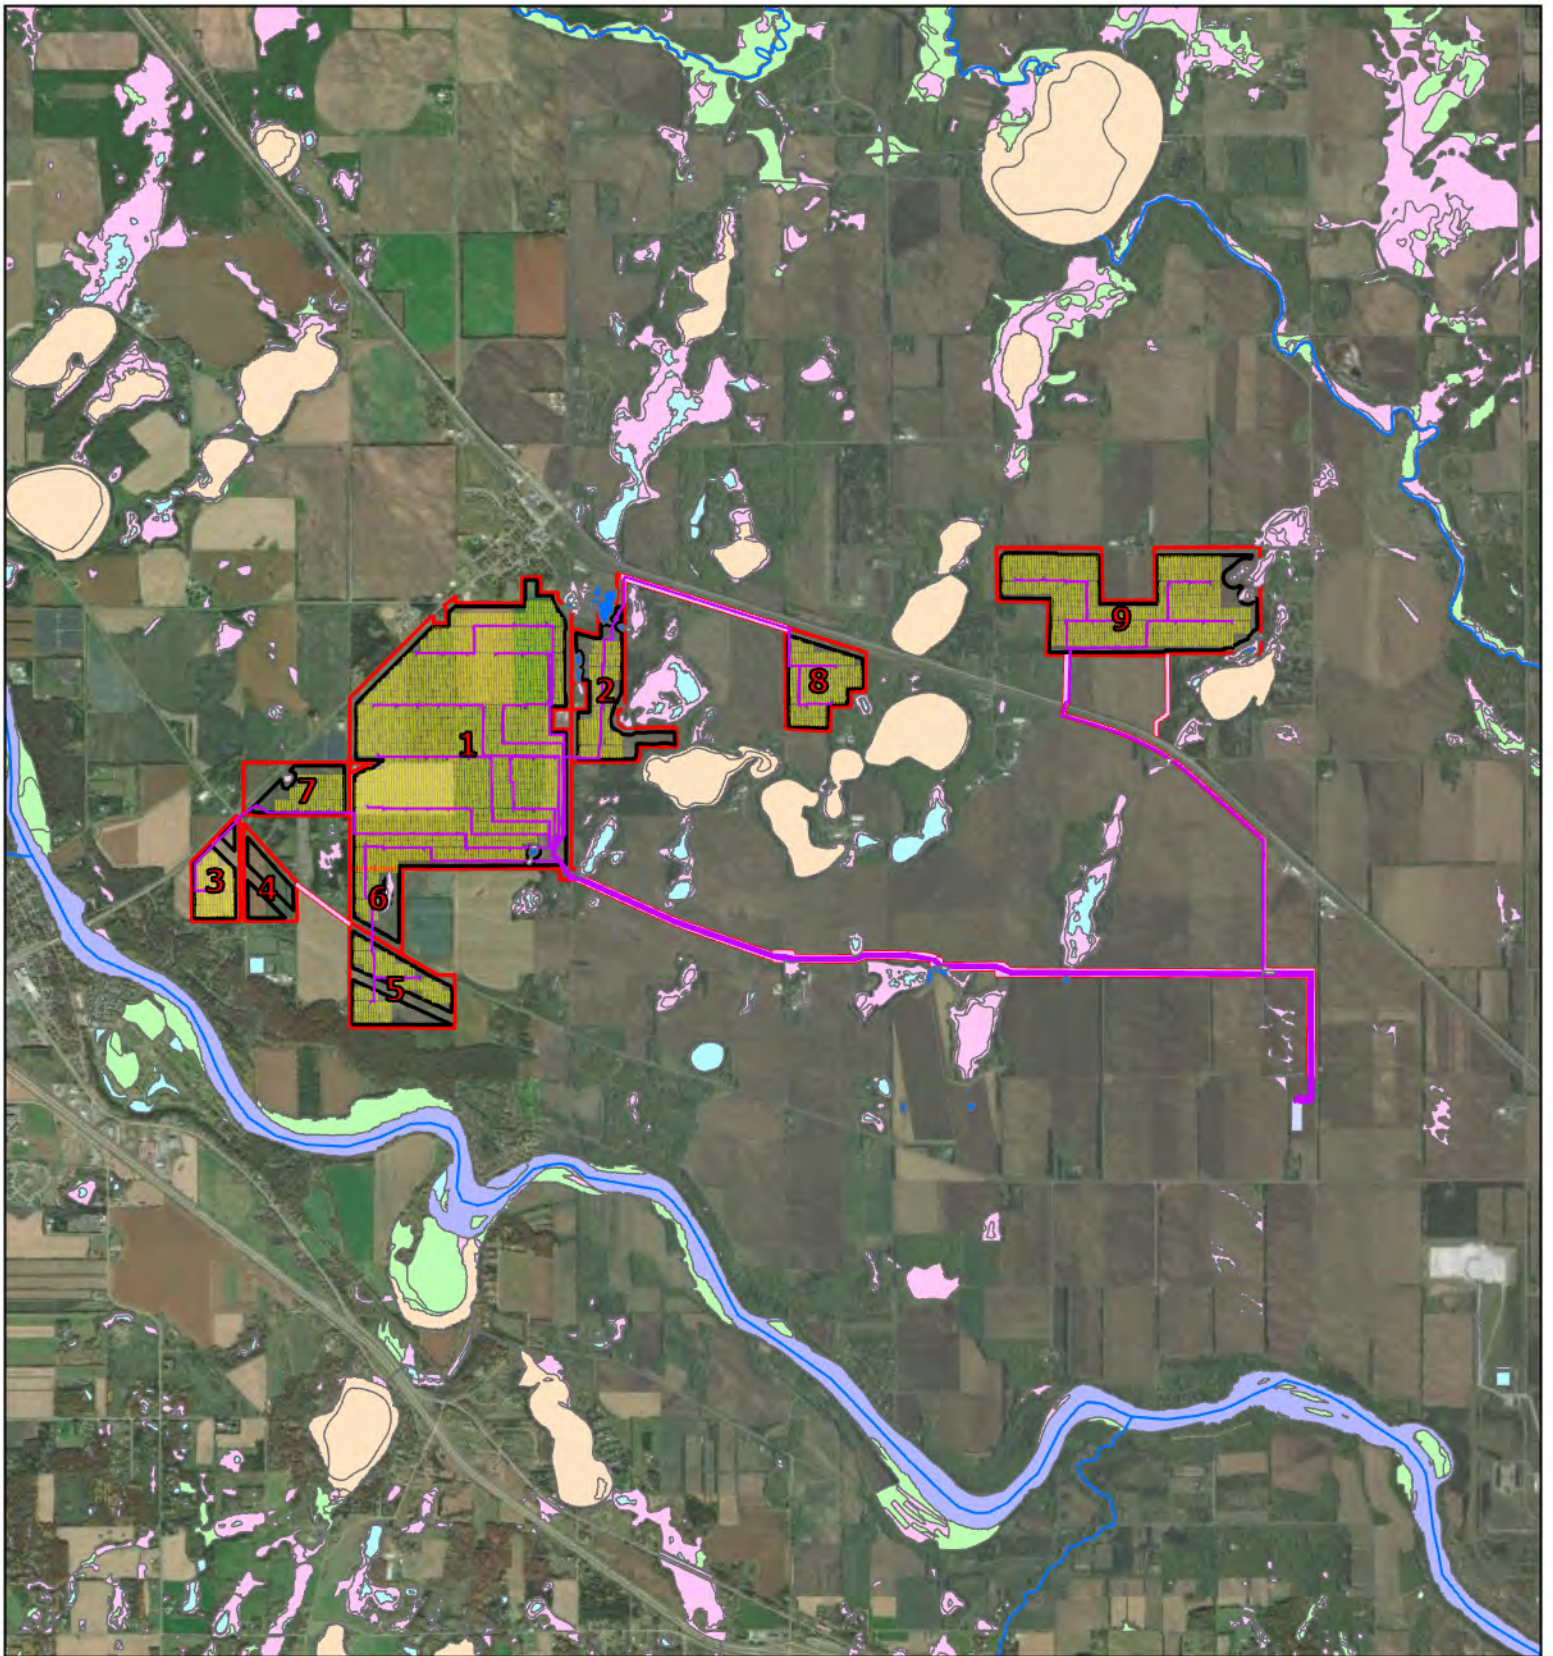

- |                              |                           |                     |
|------------------------------|---------------------------|---------------------|
| Land Control Area            | Orderly Annexation Zone 1 | Scenic River        |
| Preliminary Development Area | Orderly Annexation Zone 2 | Urban Expansion     |
| Collection                   | Orderly Annexation Zone 3 | Collection Corridor |
| Agricultural                 | Recreational              | Substation          |
| City Limits                  |                           | Shoreland District  |
| General Rural                |                           |                     |
