Global Tel\*Link Corporation d/b/a ViaPath Technologies  
Value-Added Communications, Inc. d/b/a ViaPath Technologies  
Compliance Filing and Updated Tariffs**

Dear Secretary Seuffert:

Global\*Tel Link Corporation d/b/a ViaPath Technologies (“GTL”) and its affiliate Value-Added Communications, Inc. d/b/a ViaPath Technologies (“VAC”) (GTL and VAC collectively, the “Company”) respectfully submit the following information in compliance with the Order issued by the Minnesota Public Utilities Commission (the “Commission”) on January 28, 2022 in the above-referenced docket. In the Order, the Commission approved the Company’s use of the doing business as (“DBA”) name “ViaPath Technologies” in Minnesota going forward.

First, in response to Ordering Clause #3, the Company affirms that notice of the DBA name was provided to any customers that have a subscription to receive service or have funds deposited with the Company for the placement of calls. The Company offers inmate calling services to correctional facilities in Minnesota, which allow incarcerated individuals to initiate telephone calls to their friends and family outside of the correctional facility. The DBA is reflected on the Company’s websites and the Company’s interactive voice response system (“IVR”). Very few of the Company’s customers receive regular monthly invoices (such as bail bondsmen, attorneys, etc.), and the DBA also is reflected on those invoices.

Second, in response to Ordering Clause #2, the Company encloses updated tariffs for GTL and VAC. Each page of the tariffs is included in this filing to reflect the addition of the DBA name in the header and in the text as marked, and the Company’s updated address in the footer. For GTL, additional substantive edits have been made on the following pages of the tariff:

- 18th Revised Page 1 - Updates Check Sheet

- 4th Revised Page 26 - Updates terms and conditions regarding Advance Pay
- 2nd Revised Page 30 - Updates terms and conditions regarding Maximum Security Collect Service
- 2nd Revised Page 32 – Updates terms and conditions regarding Maximum Security Collect Service
- 1st Revised Page 36 - Updates ancillary service charges to reflect Federal Communications Commission rules

For VAC, additional substantive edits have been made on the following pages of the tariff:

- 2nd Revised Page 1 – Updates Check Sheet
- 1st Revised Page 33 - Updates ancillary service charges to reflect Federal Communications Commission rules

The Company respectfully requests an effective date for the revised tariffs of March 9, 2022.

If you have any questions regarding this filing, please contact the undersigned.

Respectfully submitted,
