The public hearings will be presided over by the Honorable Jim Mortenson, an administrative law judge from the Office of Administrative Hearings, who will provide the Commission with findings of fact, conclusions of law, and a recommendation.

The purpose of the public hearings is to obtain public input on the proposed project and compile the record for the Commission to consider in making a final decision on the site permit application. Specifically, interested persons will have the opportunity to: (1) ask questions of state staff and the applicant; (2) offer oral and written comments on the merits of the proposed project and on the environmental assessment; and (3) suggest possible conditions to be considered for inclusion in the site permit.

- Comments received at the hearings and during the comment period will be added to the record and will help the Commission make its final decision.
- The information presented will be the same at both hearings.
- The hearings will end when all attendees have had the opportunity to comment and all other business has been concluded, or the scheduled end time of the hearing, whichever occurs first.
- Members of the public may participate without the necessity of intervening as a party; representation by legal counsel is permitted but not required.

Comment Period
