Re: Enbridge Energy Fond du Lac Line 4 Project  
Docket Number: PL-9/PPL-18-752

Dear Mr. Bruce:

Thank you for the opportunity to review and comment on the Enbridge Energy Fond du Lac Line 4 Project (Project) located on the Fond du Lac Reservation. The Project consists of replacement, relocation and burial of an approximately 10-mile segment of the Line 4 pipeline on the Fond du Lac Reservation. The Minnesota Pollution Control Agency (MPCA) has no comments at this time.

We appreciate the opportunity to review this Project. Please be aware that this letter does not constitute approval by the MPCA of any or all elements for the purpose of future permit action(s) by the MPCA in regard to Line 4. Ultimately, it is the responsibility of the Project proposer to secure any required permits and to comply with any requisite permit conditions. If you have any questions, please contact me at 651-757-2465.

Sincerely,
