The Commission referred the site permit application matter to the Office of Administrative Hearings for a contested case proceedings in its October 15, 2024, Order (Commission's Order).¹

Based upon the record herein and the agreement of the parties,

IT IS HEREBY ORDERED:

1. **Parties.** The parties to this matter are Otter Tail Power Company and the Department. Other persons or entities that wish to intervene as parties in this proceeding must file a petition to intervene that complies with Minn. R. 1400.6200 (2023) with the Administrative Law Judge as set forth below.

¹ The Commission's consent calendar subcommittee issued the decision pursuant to its delegated authority under Minn. Stat. § 216A.03, subd. 8(a). Commission's Order (January 28, 2025).

2. **Deadline to Intervene.** Persons or entities that wish to intervene as parties in this proceeding must file a petition to intervene that complies with Minn. R. 1400.6200 (2023) no later than **4:30 p.m. on April 30, 2025**. Copies of the petition to intervene must be served upon the Administrative Law Judge, all existing parties and participants, and the Commission. A notice of appearance must be filed with the petition. Petitioners shall provide an electronic mail address on the petition or notice of appearance. **All intervenors will be held to the schedule set forth below.** Unless extraordinary circumstances exist, the schedule will not be modified to accommodate late intervention. Therefore, parties intending to intervene should do so as early in the process as possible.

3. **Objections to Intervention.** Any objection to a petition for intervention shall be filed within seven (7) days of the filing of the petition. See Minn. R. 1400.6200, subp. 2 (2023). The objection shall state the party's reasons for objection and shall be served upon the Administrative Law Judge, all existing parties and participants, and the Commission.

4. **Service List.** The service list has now been established for this matter and shall only be amended upon the granting of a petition to intervene by the Administrative Law Judge and the filing of a notice of appearance. Interested members of the public who are not on the service list are invited to receive notifications through the "Subscribe to Dockets" feature of the PUC's eDocket system. Only parties and intervenors shall file notices of appearance. All other interested individuals shall subscribe to the docket on the PUC's eDocket system. Filing a notice of appearance does not place a person or group on the official service list, nor does it grant a person or group party status.

5. **Public Participation.** Members of the public are invited and encouraged to participate in this informal process. It is not necessary to become a formal party to this matter to participate in these proceedings. Members of the public may participate in the public hearings, ask questions of the Applicant or the Department, and may offer oral and written testimony and exhibits as part of those proceedings.² They should subscribe to the case using the PUC Docket number in eDockets and monitor filings.
