

Appendix A
Resource Maps

Map A-1 – System Alternatives Overview

MapA-2 – System Alternatives Mapbook Pages

Map A-3 – Bedrock Geology

Map A-4 – Major Land Resource Area Overview

Map A-5 – Hydraulic Conductivity – Maximum

Map A-6 – Groundwater Aquifer Systems

Map A-7 - Level 1 and 3 Ecoregions

Map A-8 – Land Cover Overview

Map A-9 – Land Cover Detailed

Map A-10 – Water Resources

Map A-11 – Wetland Acres by Township Overview

Map A-12 – Wetlands Acres by Township Detailed

Map A-13 – Special Species and Critical Habitat

Map A-14 - Public Resource and Recreation Lands Overview

Map A-15 – Public Resource and Recreation Lands Detailed

Map A-16 – Population Density Overview

Map A-17 – Population Density Detailed

Map A-18 – Community Features

Map A-19 – National Register of Historic Places Overview

Map A-20 - National Register of Historic Places Detailed

Map A-21 – Contaminated Sites Overview

Map A-22 – Contaminated Sites Detailed

Map A-23 – Other and High Population Areas High Consequence Areas

Map A-24 – Drinking Water High Consequence Areas

Map A-25 – Ecological High Consequence Areas

Map A-26 – Natural Disaster Flood Hazard Areas

Map A-27 – Natural Disaster Landslide Hazard Areas
