
**PUBLIC DOCUMENT – SUMMARY OF NONPUBLIC AND TRADE SECRET
INFORMATION**

The attached policy is representative of the insurance coverage NDPC will acquire for operation of the Sandpiper Pipeline Project. The owners will review the policy limits at the time the pipeline goes into service to ensure that the insurance is appropriate.

The attached insurance policy has been designated by NDPC as **NONPUBLIC AND TRADE SECRET DATA** in accordance with Minnesota Rules, Part 7829.0500, and Minnesota Statutes, Chapter 13 ("Government Data Practices Act") and the Twelfth Prehearing Order in Docket No. PPL6668/CN-13-473. NDPC is providing a copy of this insurance policy in response to a request by the Minnesota Department of Commerce, Division of Energy Resources. NDPC takes substantial steps to maintain the confidentiality of the insurance policy contract terms, which, if released, would have a detrimental effect on NDPC by providing potential competitors, contracting parties and others with valuable information not otherwise readily ascertainable and from which these persons would obtain economic value.
