**Re: Docket No. P-5692, 6857/PA-14-817 ; *In the Matter of the Joint Application of MegaPath Corporation and GC Pivotal, LLC d/b/a Global Capacity for Approval to Participate in an Asset Transfer Transaction***  
**CONSUMMATION NOTICE AND REQUEST TO CANCEL AUTHORITY**

Dear Mr. Haar:

GC Pivotal, LLC d/b/a Global Capacity ("Global Capacity"), on its own behalf and as purchaser of certain network assets and customers from MegaPath Corporation ("MegaPath"), notifies the Minnesota Public Utilities Commission ("Commission") that on December 31, 2014, MegaPath and Global Capacity completed a transaction whereby ownership of certain network assets and certain customers served by those assets from MegaPath were transferred to Global Capacity.<sup>1</sup> As a result of this, effective January 1, 2015, MegaPath will no longer provide telecommunications services in Minnesota and therefore no longer requires its authorizations. As such, MegaPath requests that the Commission cancel MegaPath's authorizations to provide local exchange and interexchange telecommunications services and rescind any and all tariffs on file with the Commission. MegaPath was granted authority to provide local exchange and interexchange telecommunications services pursuant to Commission authorization issued in Docket No. P5692/NA-98-1259. Because MegaPath no longer provides any service that is subject to the jurisdiction of the Commission in Minnesota, the Company respectfully submits that the surrender of its authorizations is reasonable and necessary and will not be disruptive to the present or future public interest, convenience and necessity.

<sup>1</sup> See Joint Application of MegaPath Corporation and GC Pivotal., LLC d/b/a Global Capacity for Approval to Participate in an Asset Transfer Transaction dated September 26, 2014 informing the Commission of the anticipated sale of certain assets and customers. The Application was approved by Order dated December 5, 2014.
