

In the Matter of the Review of the July 2018-December 2019 Annual Automatic Adjustment Reports.

Docket No. E999/AA-20-171

Commissioner Tuma moves to amend decision options as follows:

5A. Find that there is a genuine issue of material fact whether MP's Forced Outages for the period were in fact reasonable and prudent, and if not what were the specific overcharges (plus interest) to be returned to ratepayers through the FCA.

7. Refer the issue to the Minnesota Office of Administrative Hearings for a contested case proceeding where the company bears the burden to establish that any or all of the forced outage costs were reasonably and prudently incurred. (Staff)

9. If the Department deems it necessary, authorize them to retain an expert under Minn. Stat. § 216B.62.

10. Timeline

A. Delegate to the Executive Secretary to establish the schedule with the OAH for the submitting the report of the contested case.

OR

B. Request that the OAH file a report from the contested case on or before _____.
