President and Chief Operating Officer  
Magnetation, LLC

Grand Rapids, MN 55744

Subject: EITE Customer Commitment Letter Agreement

Dear Matt,

This Letter Agreement between Minnesota Power and Magnetation LLC ("Customer," and together with Minnesota Power, the "Parties") sets forth the terms and conditions for Customer to receive, and Minnesota Power to provide, service under the Rider for Energy-Intensive Trade-Exposed ("EITE") Customers ("EITE Customers Rider"), as authorized by First Special Session, 2015 Minnesota Laws Chapter 1, Article 3, Section 26 and codified at Minnesota Statutes Section 216B.1696 ("EITE Statute"). This Letter Agreement does not modify any terms or conditions in Customer's Amended and Restated Electric Serviced Agreement ("Electric Service Agreement") as executed on May 4<sup>th</sup>, 2015 and pending approval by the Commission in Docket No. E015/M-15-699. Under the EITE Statute, the Parties acknowledge that Minnesota Power is petitioning for Commission approval of both the EITE Customers Rider and a Rider for EITE Current Cost Recovery ("EITE Current Cost Recovery Rider").

This Letter Agreement shall be effective on the first day of the calendar month immediately following and contingent upon Commission approval of both Minnesota Power's EITE Customers Rider and EITE Current Cost Recovery Rider. In the event that Commission approval of either the EITE Customers Rider or EITE Current Cost Recovery Rider does not occur, or is approved subject to terms or conditions to which either Minnesota Power or Customer objects, or is revised or modified in any material respect by the Commission, Minnesota Power and Customer agree to immediately make a good faith effort to renegotiate the terms of this Letter Agreement to accommodate regulatory requirements while maintaining

the respective economic benefits to each party as set forth in this Letter Agreement, EITE Customers Rider, and EITE Current Cost Recovery Rider.

By signing this Letter Agreement, Customer agrees that it meets the eligibility requirements as set forth in the EITE Statute and the proposed EITE Customers Rider. Customer further agrees that its eligibility shall be contingent upon a current and effective electric service agreement ("ESA") with Minnesota Power. If Customer issues a cancelation notice related to the term of the ESA, then within the final two years of its ESA term, any benefits or rate credits under the EITE Customers Rider shall be placed into a tracker, receipt of which benefits or rate credits is contingent upon negotiation of a new ESA prior to expiration of the ESA term, which ESA is ultimately approved by the Commission. If the Parties do not execute a new ESA prior to the expiration of the existing ESA's term, Customer shall forfeit all benefits and rate credits in the tracker and such rate credits shall be credited under and pursuant to the EITE Current Cost Recovery Rider. During this two-year period, Customer shall continue to take service from Minnesota Power under its Commission-approved ESA and applicable service schedules. As set forth in the proposed EITE Customers Rider, Customer shall receive an Energy Charge Credit of \$11.50/MWh for all applicable Firm energy, Excess energy and Incremental Production Service Energy in excess of a monthly energy usage threshold, generally determined to be 450 hours times Customer's expected site peak electric usage. Customer's expected peak electric usage shall initially be set at [REDACTED] (TRADE SECRET DATA EXCISED) The Parties agree that this expected peak electric usage shall be updated if operations or ESA parameters change due to conditions that could include, by way of example, changes in operation or generating profiles or establishment of new load. Additional terms and conditions of the Energy Charge Credit are set forth in the EITE Customers Rider.

This Letter Agreement shall be binding upon the Parties, their successors and assigns, on and after the effective date hereof; provided, however, that neither party may assign this Letter Agreement or any rights or obligations hereunder without the prior written consent of the other party, which consent shall not unreasonably be withheld. Notwithstanding the foregoing, consent shall not be required by either party for assignment to any newly formed affiliate or any party reorganizing its corporate structure.

All other previous communications related to this Letter Agreement between Minnesota Power and Customer either verbal or written, are abrogated. No amendment, modification or waiver of, or consent with respect to any provision of this Letter Agreement shall be effective unless the

same shall be in writing and signed and delivered by both Parties and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given and shall not be deemed a waiver with respect to any subsequent default or other matter. This Letter Agreement is not intended to and shall not create rights of any character whatsoever in favor of any Person, other than Minnesota Power and Customer and the obligations herein assumed are solely for the use and benefit of Minnesota Power and Customer nor is anything in this Letter Agreement intended to relieve or discharge the obligation or liability of any third Persons or any party, nor shall any provision of this Letter Agreement give any third Persons any right of subrogation or action over against any party.

**IN WITNESS WHEREOF**, the Parties have executed this Letter Agreement by their duly authorized officers as of November 19, 2015.
