**Re: In the Matter of the Application of Minnesota Energy Resources Corporation for Authority to Increase Rates for Natural Gas Service in Minnesota  
MPUC Docket No. G-011/GR-13-617  
OAH Docket No. 8-2500-31126**

Dear Judge Lipman:

Pursuant to the schedule of proceedings set forth in the First Prehearing Order dated December 12, 2013, in the above-captioned docket, and in compliance with Minn. Stat. § 216.17, subd. 3, the Super Large Gas Intervenors ("SLGI") submit this timely response to the Issue Matrix filed by the Minnesota Energy Resources Corporation ("MERC") on June 6, 2014.

At this time, SLGI does not have any outstanding issues with MERC or the other parties in this matter. The SLGI members appreciate the parties' accommodation of SLGI's information requests and the apparent resolution of several issues important to the group. Although SLGI is not submitting an initial post-hearing brief, SLGI reserves the right to file a reply to address issues presented in the initial post-hearing briefs submitted by the other parties to the docket.

Please feel free to contact me if you have any questions.

Very truly yours,
