Hi Craig,

My name is Malory Fritz and I am a non participating land owner within the footprint of the Summit Lake Solar project. I sent this email to Sam Weaver as well but received his out of office email so wanted to send it to you as well.

I have concerns about a pond that is directly adjacent to my property that according to the map is not enclosed by a fence. I feel very strongly that this pond NEEDS to be behind a fence. I submitted it as part of my comment during the comment period but it does not seem to have been addressed (as far as I can tell). I just want to make sure that this is at least looked at and hopefully this pond will be fenced in.

Thank you for your time,

Malory Fritz
