Public Hearing Information

The public hearings will be presided over by the Honorable Jim Mortenson, an administrative law judge from the Court of Administrative Hearings, who will provide the Commission with findings of fact, conclusions of law, and a recommendation.

The purpose of the public hearings is to obtain public input on the proposed project and compile the record for the Commission to consider in making a final decision on a certificate of need, site permit, transmission line route permit, partial exemption, and pipeline routing permit application. Specifically, interested persons will have the opportunity to: (1) ask questions of state staff and the applicant; (2) offer oral and written comments on the merits of the proposed project and on the environmental assessment; and (3) suggest possible conditions to be considered for inclusion in the certificate of need, site permit, transmission line route permit, and pipeline routing permit and partial exemption.

- Comments received at the hearings and during the comment period will be used to inform the record and help the Commission make its final decision.
- The information presented will be the same at both hearings.

- The hearings will end when all attendees have had the opportunity to comment and all other business has been concluded, or the scheduled end time of the hearing, whichever occurs first.
- Members of the public may participate without the necessity of intervening as a party; representation by legal counsel is permitted but not required.

Environmental Assessment

The Minnesota Public Utilities Commission – Energy Infrastructure Permitting (EIP) unit issued an environmental assessment (EA) for the project on January 9, 2026. The purpose of the EA is to provide information on the potential human and environmental impacts of the proposed project, possible mitigations for identified impacts, and evaluation of any alternatives contained in the scoping decision. The EA is available here: (<https://puc.eip.mn.gov/web/project/16322>) and on eDockets (see below). Print copies of the EA are available upon request; please get in touch with Jim Sullivan at jim.sullivan@state.mn.us or 651-539-1064.

Comment Period

Written comments will be accepted through **February 11th, 2026, by 4:30 p.m.** Please include the docket number in all communications. Comments received after the close of the comment period may or may not be considered by the Commission.

Topics for Comment

- Are there any contested issues of fact with respect to the representations made in the certificate of need application?
- Should the Commission grant a certificate of need for the proposed project?
- Should the Commission grant a site, route, and/or pipeline permit?
- If granted, what additional conditions or requirements should be included in the site, and/or pipeline permit?
