C. Date of Filing

The date of this filing is October 18, 2018.

D. Controlling Statute

Exclusive electric service territories have existed in Minnesota since 1974, and are considered necessary to encourage the development of coordinated statewide electric service, to eliminate or avoid unnecessary duplication of utility facilities, and to promote economical, efficient, and adequate electric service to the public.

Minn. Stat. §216B.37 provides electric utilities the exclusive right to serve customers within an assigned service territory, and Minn. Stat. §216B.40 prohibits the provision of retail electric service by another utility within that assigned service territory, absent written consent.

Minn. Stat. §§216B.37-216B.47 provide the terms and conditions under which a city may extend retail electric service throughout the corporate limits of the city and authorize and permit electric utilities to define and revise their electric service territories by their written consent and agreement. Thus, two parties may agree to modify the boundary between their service territories by requesting Commission approval after notice and hearing under Minn. Stat. §216B.39, or service by exception is consented to under Minn. Stat. §216B.40.

In this circumstance, the land at issue in the Agreement is in Xcel Energy's service territory, but currently there are no customers or facilities. Delano annexed the land, and pursuant to Minn. Stat. §216B.44 decided to provide service in the area. This Agreement is consistent with Minn. Stat. §216B.39 because it avoids the unnecessary duplication of facilities, provides adequate electric service to all areas and future customers affected, and promotes the efficient and economical use and development of the electric systems of the contracting electric utilities. This petition involves the permanent boundary change for 23.399 acres of service area (the Transfer Area) from Xcel Energy to Delano, as agreed to by both parties as shown in the Agreement, and allows Delano to provide interim service to the Transfer Area prior to Commission approval of the Agreement. For a period of ten years starting on the effective date of which the Agreement is signed by both parties, the City shall pay Xcel Energy annually, amounts based on the consumption of the future customers in the Transfer Area, as described on pages 2-3 of the Agreement.

COMPENSATION AND ORDERLY TRANSFER AGREEMENT

between

NORTHERN STATES POWER COMPANY

a Minnesota corporation

and the

DELANO MUNICIPAL UTILITIES

This agreement entered into this 31st day of August, 2018, (the "Agreement") between NORTHERN STATES POWER COMPANY, a Minnesota corporation, with its principal office located at 414 Nicollet Mall, Minneapolis, Minnesota, and DELANO MUNICIPAL UTILITIES with its principal office located at 11 Bridge Avenue W. P.O. Box 65, Delano, Minnesota 55328 (collectively, the "Parties").

RECITALS

A. Northern States Power Company, a Minnesota corporation, d/b/a Xcel Energy ("Xcel Energy") is a "public utility" under Minn. Stat. § 216B.02, subdivision 4. Xcel Energy provides electric service to customers located within its assigned electric service area.

B. Delano Municipal Utilities, a utility duly organized and existing under the laws of the State of Minnesota, including, inter alia Minn. Stat. § 412.321, that provides electric service within its assigned electric service area (the "Municipal").

C. The laws of the State of Minnesota, namely Minn. Stat. § 216B.37 – 216B.47, provide the terms and conditions under which a Municipal utility may extend retail electric service throughout the corporate limits of the City, as well as authorize and permit electric utilities to define and revise their electric service territories by their written consent and agreement.

D. Pursuant to Minn. Stat. § 216B.44 the City may acquire the right for its Municipal utility to serve an area within its corporate boundaries through Service Territory Transfer of Annexation. The City Council passed an ordinance to annex a portion of Xcel Energy's service territory within the City's

corporate boundaries (the “Annexed Service Territory Transfer”) known as Delano West Metro Business Park First Addition.

E. The Annexation reflected in Attachment 1 is located in the assigned electric service area of Xcel Energy, as further described in the map attached hereto as Attachment 1.

F. The parties have negotiated a mutual settlement in which the Municipal shall hold the exclusive right to provide electric service to the Annexed Territory, with appropriate compensation to Xcel Energy, and wish to avoid litigation. The Parties desire to set forth the terms and conditions of their agreement herein.

NOW THEREFORE, in consideration of the promises exchanged herein, the Parties agree as follows:

1. Scope of Agreement. The parties have agreed to a transfer of the exclusive right to provide electric service to the Annexed Service Territory Transfer from Xcel Energy to the Municipal on a date mutually agreed by the Parties.

Proposed Acquisition Property Description for the 23.399 acres of the Delano West Metro Business Park First Addition.

That part of Outlot C and Lot 1, Block 2, and McKinley Parkway, Delano West Metro Business Park First Addition, Wright County, Minnesota, according to the recorded plat thereof, lying westerly of the east line of the West Half of the Southeast Quarter of Section 3, Township 118, Range 25, Wright County, Minnesota and northerly of the easterly extension of the southerly line of Lot 1, Block 2.

2. Existing customers. The Parties acknowledge that there are currently no existing customers or facilities of Xcel Energy’s located within the Annexed Service Territory Transfer area that would be affected by this Agreement
3. Compensation. The Municipal will pay Xcel Energy the following as compensation for the Annexed Service Territory Transfer area and the exclusive right to provide electric service to the Territory Transfer area through Annexation.

Annual Payments for the Annexed Service Territory: For a period of 10 years starting on the Effective Date of which this agreement is signed by both parties, the City shall pay Xcel Energy annually a sum equal to \$0.0192 times the KWH consumed by the customers located at service locations within the Annexed Service Territory. The consumption for customers in the Annexed Service Territory shall be determined using actual data obtained from the City's metering records to validate consumption. The City shall provide documentation of the actual consumption for the customers in the Annexed Service Territory on an annual basis and as reasonably requested by Xcel Energy. For a period of 10 years, the annual consumption data will be determined beginning on the Effective Date, running through the day preceding the Effective Date in the following year, then annually every year after until the day preceding the Effective Date of which this agreement is signed by both parties 10 years into the future, with payment due annually to Xcel Energy 30 days after the anniversary of the Effective Date of which this agreement is signed by both parties of each year of the ten (10) year contract term with supporting information. All payments need to be mailed to the Service Policy Manager at Xcel Energy located at 414 Nicollet Mall – CSC, Minneapolis, MN 55401.

- a. Late Charges. If the Municipal fails to make any payment(s) within thirty (30) days of the date due, additional charges shall become due and payable at a rate of interest per annum equal to the prime rate for the last day of the prior month as reported in the "Wall Street Journal" plus one and one-half percent (1 ½%) per month (or the maximum percentage allowed by law, whichever is lower) on any unpaid amounts. Any payments shall be applied to outstanding interest first, followed by outstanding charges due prior to any current charges due.

4. Interim Service. The parties have agreed to allow the Municipal to serve customers in the Annexed Service Territory Transfer Area prior to the Commission Approval of this Agreement.

5. Reservation of Rights. Except as specifically set forth herein, this Agreement does not modify or limit the legal rights of any party.
6. No Precedent. The Parties recognize that this Agreement is the result of negotiations between the Parties and that this Agreement and the Commission's approval of this Agreement does not represent any binding or legal precedent on any party in any other matter.
7. Request for Commission Approval of the Agreement. Upon execution of this Agreement by all Parties, Xcel Energy will prepare a Joint Petition to the Commission by the Parties to modify the assigned service territory to reflect the Transfer Territory to the Municipal's assigned service area, along with this Agreement as evidence of the Parties' resolution of compensation. Upon drafting of such Joint Petition, the Municipal shall retain the right to review Joint Petition prior to signature of said document by duly authorized representation. Upon filing of the Agreement, the Parties will cooperate to send a notice to all affected customers informing them of the Agreement, and that it has been filed with the Commission. This notice shall provide customers with the Commission's address and the docket number to facilitate any customer participation in the proceeding.
