Re: In the Matter of the Joint Request of the Grand Rapids Public Utilities Commission and Lake Country Power to Modify Electric Service Territory Boundaries  
MPUC Docket: E243,E106/SA-15-94  
Our File No.: 61261-0001

Dear Mr. Wolf:

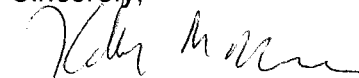

As you know, I represent the Grand Rapids Public Utilities Commission ("GRPUC") in this matter. Since the initial joint filing on January 26, 2015, the parties have realized that the map of the Affected Area that was provided as Exhibit B was incorrect. Accordingly, the parties wish to clarify the record.

Exhibit B-1 to this letter is a corrected map of the Annexation Areas. Exhibit B-1 should replace Exhibit B in the joint filing dated January 26, 2015. Exhibit B-2 to this letter shows the area of correction in the map, circled in red. The parties are in agreement as to this correction, which was a clerical error in the preparation of the map.

In addition, to complete the record in this matter, GRPUC notes that it has provided notice to all affected customers. Exhibit C to this letter is an Affidavit of Service by Anthony Ward, which includes a copy of the customer notice letter mailed on February 13, 2015.

Please contact me if you have any questions.

Sincerely,

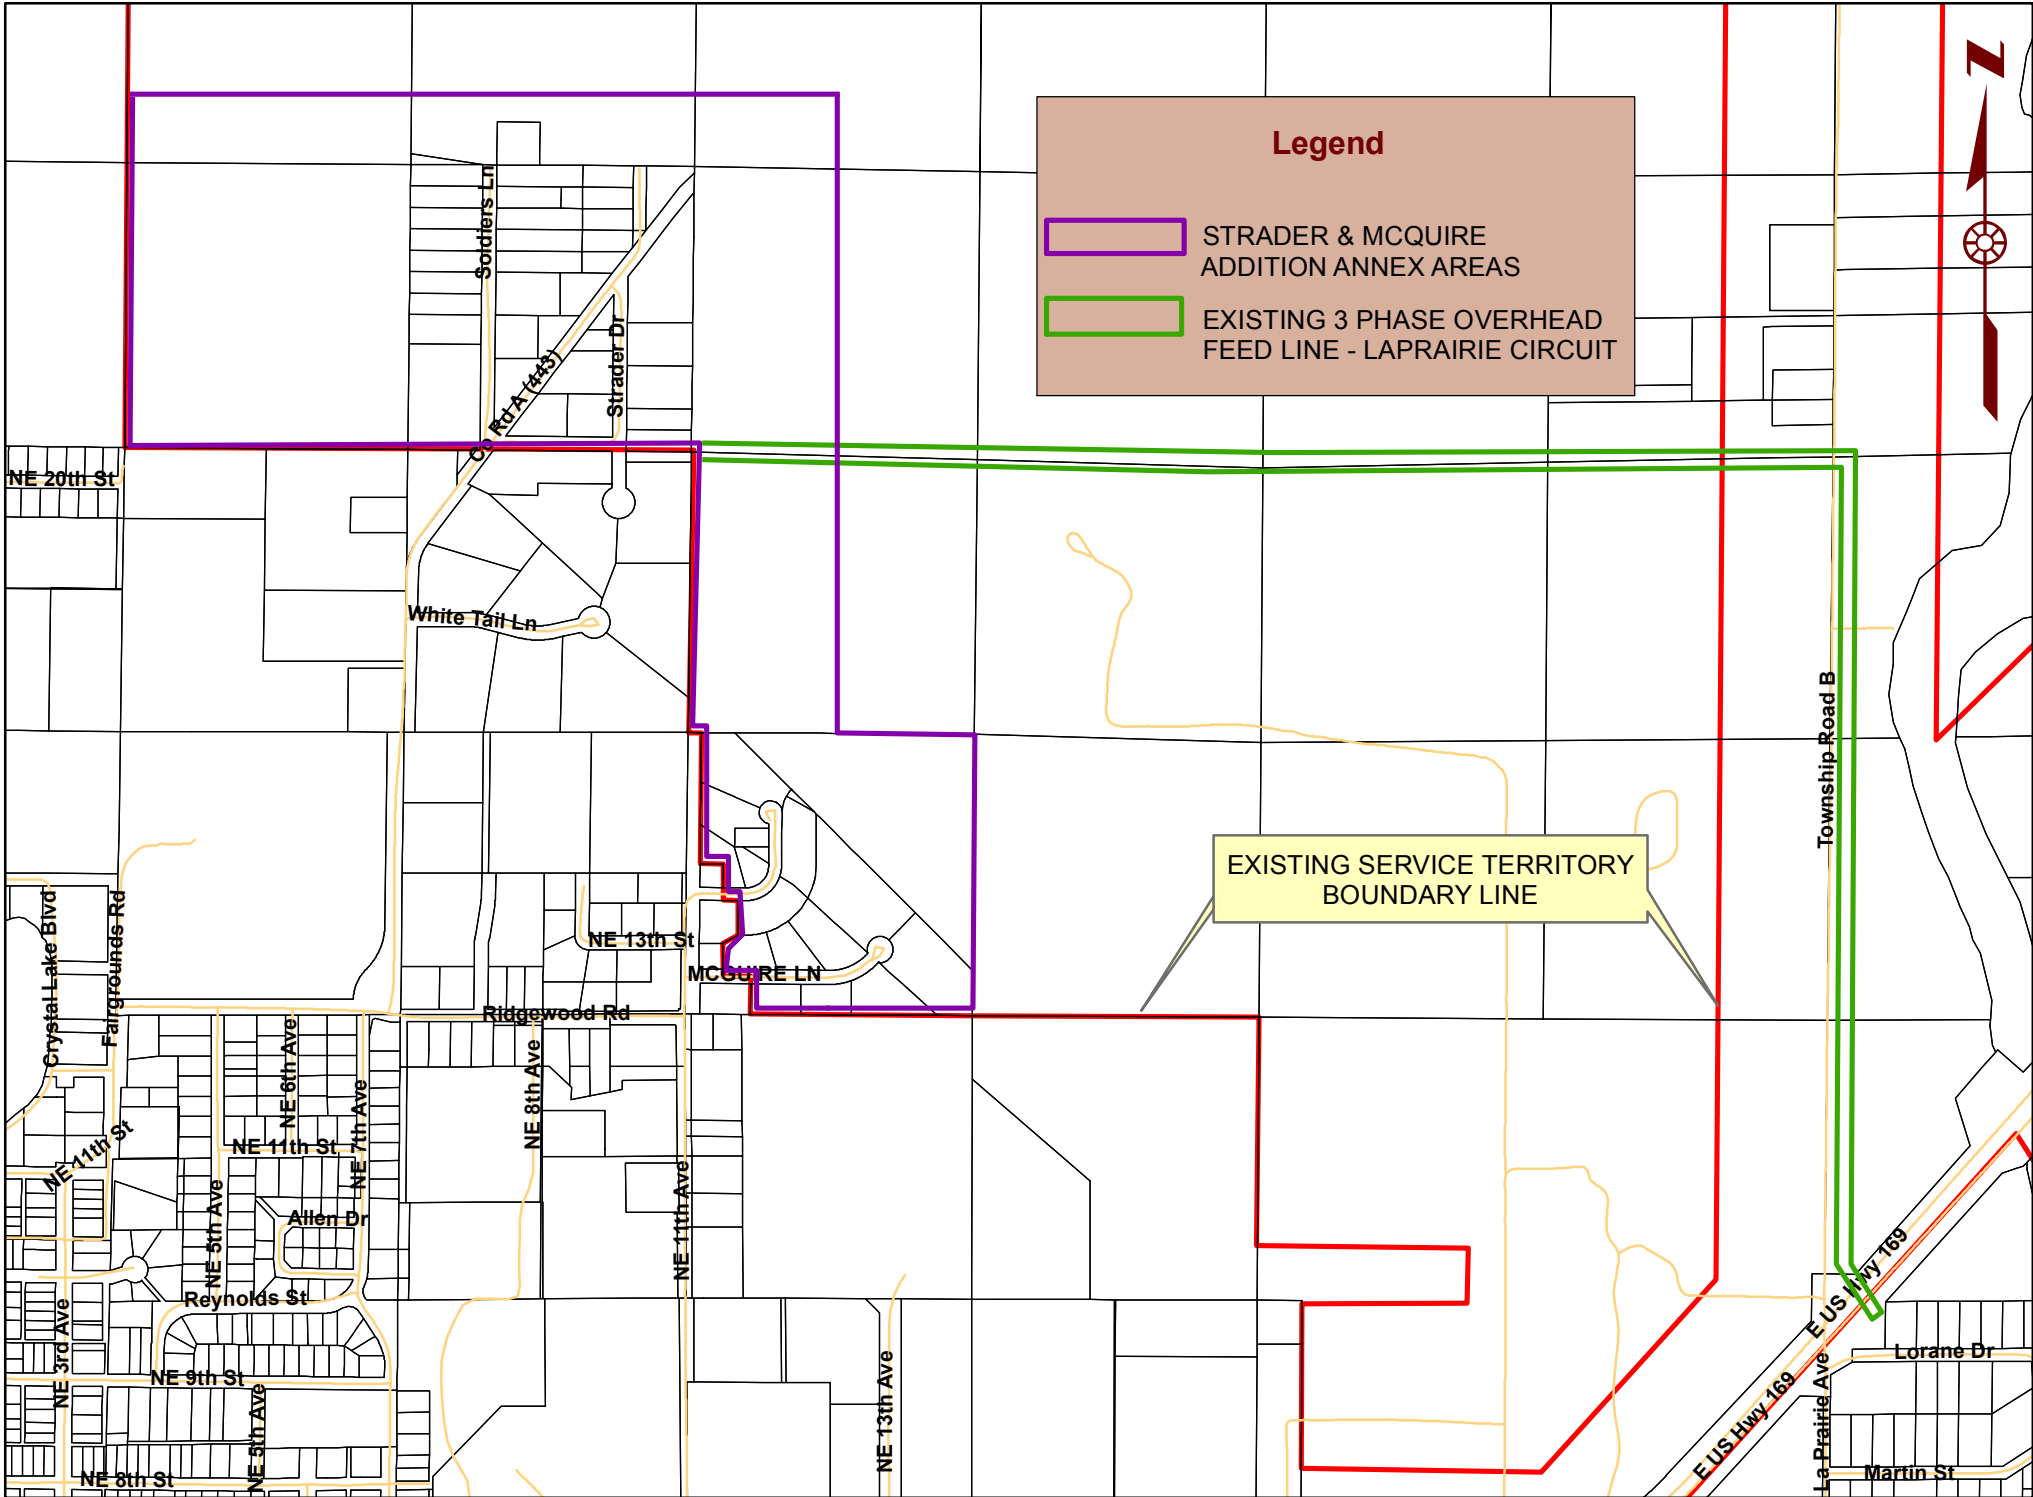

Kathleen M. Brennan

Re: Notice of Minnesota Public Utilities Commission Proceeding MPUC Docket No:  
E243,E106/SA-15-94

Dear Customer:

As you know, the Grand Rapids Public Utilities Commission (GRPUC) recently began providing your electric service. Before this transition, Lake Country Power served the area where you are located. GRPUC is in the process of formally updating the electric service maps on file with the Minnesota Public Utilities Commission (MPUC) to reflect that GRPUC is the electric service provider. This letter provides information concerning that proceeding before the MPUC.

The MPUC is a state agency with jurisdiction over electric service territory boundaries. The MPUC requires that all customers located in an area involved in a change in the service territory maps be formally notified of the proceeding in which the service territory maps will be approved. This letter provides that formal notice.

If you wish to address the MPUC concerning this change in maps, you may write to the MPUC at 121 Seventh Place E., Suite 350, Saint Paul, Minnesota 55101, or call 651-296-7124. You should reference MPUC Docket No E243,E106/SA-15-94. You may contact the MPUC Consumer Affairs Office at 651-296-0406 or [consumer.puc@state.mn.us](mailto:consumer.puc@state.mn.us) if you have questions at any time. It is optional and voluntary to contact the MPUC.

The GRPUC values your business and will continue to strive to provide you with the highest quality service. Please contact me (218-326-7188) if you have any questions.

Respectfully,

A handwritten signature in blue ink, appearing to read 'Anthony T. Ward', is written over a horizontal line.

Anthony T. Ward  
General Manager

CC: Greg Randa (Lake Country Power)
