Hawe pi (Good day)

The Otoe-Missouria Tribal Historic Preservation Office has gained opposition from the Otoe-Missouria Tribal Council to the above-mentioned project. Enclosed is an approved and signed resolution passed by the Otoe-Missouria Tribal Council, the governing body, asserting the Otoe-Missouria's opposition to the Minnesota Public Utilities Commission's decision to grant a permit to Magellan Pipeline for Reroute in Docket No. IP7109/PPL-23-109.

The Otoe-Missouria Tribal Historic Preservation Office looks forward to receiving and reviewing the future information regarding this project. Please forward any copies to ewhitehorn@omtribe.org when they become available.

Should you have further questions or concerns, please contact me.

Thank you,
