

Commissioner Sieben proposes the following decision option:

Sieben 7. Order CenterPoint to extend the amortization period for extraordinary gas costs in Docket 21-138 to 63 months beginning on January 1, 2022. By December 15, 2021 CenterPoint shall file a compliance filing with the new schedule for all classes. Direct the Executive Secretary to issue a notice in Docket 21-135 requesting comments on whether the amortization period should be extended for other natural gas utilities.
