**Re: In the Matter of Minnesota Power's
Rider for Boswell Center Unit 4 ("BEC4")
Docket No. E015/M-20-825
Reply Comments**

Dear Mr. Seuffert:

On March 4, 2021, the Department of Commerce, Division of Energy Resources ("Department") submitted Initial Comments in the above-referenced Docket. Minnesota Power agrees with the Department's recommendations including, consistent with the January 19, 2021 Petition, submitting the following filings:

- April 2021, or thereabouts, providing the calculation details for determining the final one-time per kilowatt hour ("kWh") bill charge to the "All Other" customer group based on actual kWh usage;
- August 2021, or thereabouts, providing the calculation details for determining the final one-time partial credit to the "Large Power" customer group using the appropriate Large Power billing units from the partial credit month (currently projected for July 2021); and
- A final compliance filing showing the BEC4 Rider is no longer on customer bills as part of the Commission's order in this Docket.

Minnesota Power appreciates the time and work of the Department and looks forward to a Commission hearing on this issue.

Please contact me at (218) 355-3601 or lhoyum@mnpower.com if you have any questions regarding this filing.

Yours truly,
