**RE: In the Matter of Otter Tail Power Company 2024 Annual Safety, Reliability and Service Quality Report and Proposed SAIFI, SAIDI and CAIDI Reliability Standards for 2025
Docket No. E017/M-25-30
Supplemental Filing**

Dear Mr. Seuffert:

Otter Tail Power Company (Otter Tail Power or Company) hereby submits to the Minnesota Public Utilities Commission (Commission) its Supplemental Filing in the above-referenced matter.

Pursuant to, “additional compliance obligation requirements,” Attachment B paragraph 11, from the Commission’s January 28, 2020 Order in Docket No. E017/M-19-260, reporting MN customer performance by customer class, Otter Tail Power now provides this requirement, which we were not able to include in our Annual Report submitted on April 1, 2025. The tables below present reliability indices by customer class compared to the count of customers within just that class and compared to the count of all Minnesota customers.

Indices by MN customer class count:

Customer Class	Total Customers	Customer Minutes	Customer Interruptions	SAIDI	SAIFI	CAIDI
Commercial MN	12,092	1,490,150	12,731	123.23	1.05	117.05
Industrial MN	689	81,830	584	118.77	0.85	140.12
Residential MN	53,583	7,786,361	63,668	145.31	1.19	122.30

Indices by MN customer total count:

Customer Class	Total Customers	Customer Minutes	Customer Interruptions	SAIDI	SAIFI	CAIDI
Commercial MN	12,092	1,490,150	12,731	22.68	0.19	117.81
Industrial MN	689	81,830	584	1.25	0.01	140.96
Residential MN	53,583	7,786,361	63,668	118.71	0.97	123.01

Otter Tail Power requests clarification and would appreciate the commission's desired calculation method in this matter. Calculation of these indices by class is currently a manual process. The Company believes presenting a comparison of the class level indices to the respective customer class count provides the appropriate comparison of reliability results. Alternatively, if a comparison of class level performance against the total customer count is preferred, the Company will design reporting to capture this information going forward.

We have electronically filed this document with the Commission and copies have been served on all parties on the attached service list. A Certificate of Service is also enclosed.

Please contact me at 218-739-8552 or rjensen@otpc.com if you have any questions regarding this filing.

Sincerely,

/s/ ROD D. JENSEN, P.E.
Rod D. Jensen, P.E.
