Re: In the Matter of the Application of Charter Fiberlink CCVIII, LLC for an Amended Certificate of Authority to Provide Facilities-Based Local Exchange Services, Resold Local Exchange Services, Interexchange Services and Local Niche Services in Additional Exchanges; MPUC Docket No. P6515/SA-17-408

Dear Mr. Wolf:

This letter supplements Charter Fiberlink CCVIII, LLC's ("Charter Fiberlink") Application to Amend its Certificate of Authority filed May 19, 2017 in the above-captioned proceeding ("Application").

On May 26, 2017, it was brought to Charter Fiberlink's attention that Mid-State Telephone Company d/b/a TDS Telecom is the incumbent local exchange carrier in the State of Minnesota for the exchanges of Kerkhoven, Murdock and Pennock. Charter Fiberlink had erroneously identified Great Plains Communications in the Application as the incumbent carrier for these exchanges. However, Charter Fiberlink did serve Mid-State Telephone Company d/b/a TDS Telecom with the Application.

Accordingly, this letter shall serve to advise the Minnesota Public Utilities Commission and interested parties that, for purposes of the Application, Mid-State Telephone Company d/b/a TDS Telecom is the incumbent local exchange carrier associated with the exchanges of Kerkhoven, Murdock and Pennock. As evidenced by the accompanying Affidavit of Service, Charter Fiberlink has sent this letter to all affected persons, including Great Plains Communications, Mid-State Telephone Company, TDS Telecom, and the applicable municipal authorities for the affected exchanges.

Please contact me if there are additional questions concerning this matter.
