Request No.	
PUC 001	<p>Please provide the necessary information to explain how customers exempt from CenterPoint’s innovation plan offerings, as outlined by subd. 3(f), will not be charged for innovation plan costs through the CenterPoints Purchase Gas Adjustment (“PGA”) filings, and how those costs would be reallocated to non-exempt customers.</p> <p>Response:</p> <p>Only sales service customers are subject to the Purchased Gas Adjustment ("PGA"), which is associated with the provision of fuel. However, all customers exempt from CenterPoint's innovation plan offerings are transport customers, rather than sales service customers, meaning they do not purchase fuels from CenterPoint Energy and are automatically exempt from the PGA.</p>
