Dear Dr. Haar:

Big Blue Wind Farm, LLC submits this annual report to the Minnesota Public Utilities Commission to document energy production for the 2012 reporting year, relating to Big Blue Wind Farm in Faribault County, Minnesota. This facility became operational on December 15, 2012.

This report is submitted in accordance with Section 6.8 of the Project Site Permit, issued August 17, 2011; however, this report only reflects production for the period in commercial operation during the 2012 reporting year.

See the attached Power Production Annual Report Spreadsheet provided by the MN Department of Commerce, Energy Facility permitting staff.

If you have any questions regarding this eFiling, please contact me at dplagge@fageneng.com or 320-564-3324.

Sincerely,

David Plagge
