Hello Pa,

It was a mistake on my part. I selected the wrong attachment. However, after attending two townhall meetings with MN Power I understand more clearly how the sale process is going to work. I support MN Power in their proposal and withdraw any complaints I may have withstanding.

Thanks very much,

Ben Benson

Dear Mr. Benson,

Thank you for your public comment. The document you attached to your email was a copy of Minnesota Power's letter. Is that correct or was your intent to attach a different letter?
