**Re: Interim Refund**

**In the Matter of the Application of Minnesota Energy Resources Corporation for Authority to Increase Rates for Natural Gas Service in Minnesota; Docket No. G-011/GR-13-617**

Dear Mr. Wolf:

By an Order dated March 18, 2015, the Minnesota Public Utilities Commission ("Commission") approved Minnesota Energy Resources Corporation's ("MERC") refund plan and required that MERC submit a compliance filing that separately shows the actual refunds and interest paid by rate class, including supporting calculations, within 10 days of the completion of the refund for all of its customers.

MERC is filing this letter now because the first 5 of MERC's 20 bill cycles issued in June did not include the interim refund. As a result, MERC will issue refunds to those customers on July bills and will include interest for the month of June. We will submit a final compliance filing after July bills have been issued and all interim refunds are completed.

Please contact me at (920) 433-2926 if you have any questions.

Sincerely,

A handwritten signature in black ink that reads "Seth DeMerritt".
