

In the Matter of Southern Minnesota Municipal Power Agency's Submittal of its 2022-2036 Integrated Resource Plan.

Docket No. ET9/RP-21-782

Tuma Decision Option 10.d

10. In its next resource plan, require SMMPA to include a detailed discussion of the following:
 - a. SMMPA's service contracts with the cities of Austin and Rochester;
 - b. Reliability impacts and how SMMPA plans to hedge against increases in market prices as a result of the Sherco 3 retirement;
 - c. Renewable resource capacity accreditation in MISO; and
 - d. The impact of the EPA's Federal Implementation Plan (FIP) on SMMPA's resource planning process, and any deviations from the Agency's 2022 IRP caused by the final FIP (Tuma)
 - e. *[Include any other issues of interest to the Commission.]*
