

**Staff Revised Motion (filed September 8, 2022)**

**Docket No. E-111/M-22-227**

**Dakota Electric Association**

***In the Matter of Dakota Electric Association's Petition to Modify its Special Fee or Charges Tariff***

Staff proposes the following revised motion for the Commission for consideration at its September 29, 2022 agenda meeting. This reflects the entirety of the Department's recommendations in its July 1, 2022 Reply Comments. The Department's recommendation to have the modification take effect no sooner than August 8, 2022 was removed from the recommendation on page 1. Staff notes this does not change the Department's recommendations, and all docket participants<sup>1</sup> are in agreement with the recommendations.

1. Adopt the Department's recommendations as reflected in their July 1, 2022 reply comments:
  - Approve Dakota Electric's Petition, reducing reconnection charge and transfer/connection charge, with an effective date upon Commission approval.
