Re: *In the Matter of the Annual Certifications Related to Eligible Telecommunications Carriers' (ETC) Use of Federal Universal Service Support*
MPUC Docket No. P-999/PR-22-8

Dear Mr. Seuffert:

The Office of the Attorney General—Residential Utilities Division (“OAG”) and the Minnesota Department of Commerce (“Department”) respectfully submit these joint Reply Comments to the Minnesota Public Utilities Commission (“Commission”) regarding the annual certification of the Minnesota eligible telecommunications carriers (“ETCs”) that receive, have received, or will receive federal Universal Service High Cost Program (“High Cost Program” or “High Cost”) support. The OAG and the Department provide further recommendations regarding how the Commission should address two categories of ETC study area codes (“SACs”) discussed in initial comments.

Background

On September 26, 2022, the OAG and the Department each filed Comments in this docket that contained an Attachment A. The Attachments A divided the Minnesota ETCs into numbered tables 1-6B based on the ETCs’ High Cost Program status, or lack thereof. For example, the OAG and the Department recommended High Cost Program certification for all ETCs listed in Table 1 of their respective Attachments A.

Analysis

Two sets of ETCs from the OAG’s and the Department’s Attachments A require additional follow-up. These ETCs are listed in Tables 4 and 5 of the Attachments A. As discussed in more detail below, the OAG and the Department recommend that Commission staff follow the instructions from the Universal Service Administrative Company (“USAC”) to further address these ETCs.

Table 4 of the Attachments A identifies one High Cost ETC whose SAC does not appear on the Minnesota High Cost Program annual certification list. Nonetheless, because it was a winning bidder in

the Rural Digital Opportunity Fund (“RDOF”) auction, this ETC filed its FCC Form 481 with the Commission and asked the Commission to certify it in anticipation of receiving RDOF support.

The OAG and the Department are concerned that the absence of this ETC from the Minnesota High Cost Program annual certification list may hamper High Cost support for the ETC. Moreover, the ETC has explicitly asked the Commission to certify it, even though the High Cost annual certification check-box process does not permit the Commission to do so. To address these concerns, the OAG sent an email to USAC to inquire as to whether there is any specific procedure(s) the Commission should follow to certify this ETC as eligible to receive RDOF support. Per USAC’s response, the Commission should complete USAC’s sample letter and should submit it to hccerts@usac.org.¹

Table 5 of the Attachments A identifies four ETCs who appear on the Minnesota High Cost annual certification list but who are either no longer operational or do not receive High Cost support. Per USAC’s response, the Commission should provide USAC with a list of the carriers (including their SACs) that should be removed from future Minnesota High Cost annual certification lists so that USAC can look into them further.²

Conclusion

The OAG and the Department jointly recommend that the Commission complete and submit USAC’s sample letter to address the certification request of the High Cost ETC on Table 4 of their Attachments A. For Table 5, the OAG and the Department jointly recommend that the Commission provide USAC with a list of the carriers (including their SACs) that should be removed from future Minnesota High Cost annual certification lists so that USAC can look into them further.

Sincerely,

/s/ Kristin Berkland

Kristin – Can you send me a list of the carriers that you don't think should be listed? We'll look into it. For the carrier that is not listed, you can submit a letter using our [sample](#). Email it to hccerts@usac.org. If it's an RDOF carrier that began support in 2022 or haven't been authorized yet, certifying them this year isn't required. Let me know if you still have questions. Thanks.

Subject: Annual ETC Certification Letter - SAC Questions

Hi Elizabeth and Habib:

As a result of the Minnesota annual ETC certification process, the Minnesota Office of the Attorney General and the Minnesota Department of Commerce have identified: 1) a number of SACs that do not receive High Cost funds and should not be included on the Minnesota recertification list; and 2) one SAC that is not on the certification list but is a winning RDOF bidder and has asked the Minnesota Public Utilities Commission ("Commission") to certify it as part of this year's certification process.

Does USAC have a process or form to address these kinds of SAC issues that we can provide to Commission staff? If no, would a letter explaining the SAC issues suffice and to whom should that letter be addressed?

Any assistance you can provide is appreciated.

Best,
Kristin
