Re: In re the Matter of the Joint Petition for Approval of a Permanent Service Territory Transfer Between the City of North Branch, North Branch Water and Light Commission, and East Central Energy  
MPUC Docket No.: E286, E112/SA-22-388

Dear Mr. Seuffert:

On behalf of Minnesota Municipal Utilities Association (MMUA), I write to request an extension from the miscellaneous filing requirements for this matter. I understand that the Department of Commerce recently filed Comments that included responses to Information Requests and an Asset Purchase Agreement. Because this matter involves issues of statewide interest to municipal utilities, MMUA would greatly appreciate the opportunity to review these materials.

MMUA respectfully requests an extension until September 20, 2022, to review this information and, if appropriate, to file comments.

We appreciate your consideration of this request. Please let me know if you have any questions.

Sincerely,

/s/ Bill Black
