

**In the Matter of the Decommissioning Trust Fund for the Enbridge Energy, Limited Partnership Line 3 Replacement Pipeline.**

**Docket No. PL9/CN-21-823**

Commissioner Tuma proposes the following revised decision options:

12. Request that the Department and any other party wishing to do so file a recommendation identifying an initial lump sum and specific contribution timeline in which the trust should be fully funded and an explanation of why that initial lump sum and timeline is reasonable within 30 days of order issuance.

16. Require Enbridge to file an updated cost estimate for Commission review and approval ~~every~~ in three years with the interval of the next subsequent review to be set at that time.
