PETITION

INTRODUCTION

Northern States Power Company, doing business as Xcel Energy, submits to the Minnesota Public Utilities Commission this Petition for approval to modify the Standard Billing Form to add Spanish translations to key elements of the existing bill format as set forth in the Company's Minnesota Electric and Natural Gas Rate Books. We make this request pursuant to Minn. Stat. § 216B.05 and Minn. R. 7829.1300.

Specifically, we request that the Commission approve the proposed tariff sheets containing the modified Standard Billing Form with Spanish translations for key elements on the bill. We have made similar changes to the bill format in other Xcel Energy operating companies, which has enhanced the understanding of the bill content for our Spanish-speaking customers.

V. DESCRIPTION AND PURPOSE OF FILING

A. Background

As part of our ongoing commitment to providing high quality service to our customers, our Customer Care organization periodically evaluates aspects of its practices. In examining call trends for the Company's affiliate Southwestern Public Service Company (SPS) operating company, they identified a top reason for billing-related calls were from Spanish-speaking customers requesting straightforward information such as their account balance. In response, we brainstormed ways to cost-effectively implement changes that would aid Spanish-speaking customers to understand key aspects of their bills.

We decided to add certain Spanish language translations to the headings of key aspects of the bill, including account balance, to facilitate better understanding of the basic billing elements. These additions not only helped customers better understand their bill, it also reduced their need to call with questions regarding their balance or the bill's due date – resulting in an enhanced customer experience and fewer customer calls for the Company. We are proposing to implement these bill changes in Minnesota, which we believe will also aid Spanish-speaking Minnesotans.

B. Purpose of Filing

We are requesting to add Spanish translations to certain labels on the current bill format including:

- Account Balance,
- Amount Due

We chose these bill elements to maximize understanding of key billing components – also with efficiency in mind. Specifically, we can add the Spanish translation to these bill labels without the need for software changes in our customer information system – and avoiding the addition of extra pages to the bill – both of which save one-time and ongoing (postage) costs. Otherwise, the design and format of the bill remain unchanged. We provide a mockup of the proposed modifications as Attachment A. For ease of review, we have highlighted the proposed modifications in Attachment A.

We believe these proposed changes are appropriate to also implement in Minnesota. Spanish leads the nearest other language spoken in the homes of Minnesotans ages five and older by a significant margin. According to the Minnesota State Demographic Center, in 2015, 11.1 percent of Minnesotans (age 5+) spoke a language other than English at home; behind English, the most common language spoken is Spanish, with about 194,121 speakers.¹

By taking advantage of available space on the existing Standard Bill Forms, we are able to implement this change at little incremental cost – and expect it to significantly improve service to our Spanish-speaking customers. We believe these changes will additionally have a positive impact on the Company's call center operational effectiveness by reducing the number of customer calls directed to representatives for basic bill information.

C. Proposed Tariff Sheets

As outlined above, we are seeking approval to modify our Standard Billing Forms in our Electric and Natural Gas Rate Books to reflect these changes. We provide the proposed tariff updates as Attachment B in both redline and clean formats as follows:

Minnesota Electric Rate Book – MPUC No. 2

Section No. 8, 5th Revised Sheet No. 2

Section No. 8, 5th Revised Sheet No. 3

¹ See <https://mn.gov/admin/demography/data-by-topic/immigration-language/>

Section No. 8, 5th Revised Sheet No. 4

Minnesota Natural Gas Rate Book – MPUC No. 2

Section No. 8, 6th Revised Sheet No. 2

Section No. 8, 6th Revised Sheet No. 3

Section No. 8, 6th Revised Sheet No. 4

CONCLUSION

Xcel Energy respectfully requests that the Commission approve the Company's proposed modification to our Standard Billing Forms to improve understanding and enhance service for our Spanish-speaking customers.
