**Broadband Corp's Response to the Request for Reconsideration:**

Broadband Corp has reviewed the Department of Commerce's request of the PUC to reverse  
their decision providing ETC status to LTD Broadband and Broadband Corp.

Broadband Corp believes that the points raised by the Department of Commerce in section - II.  
are addressed by the FCC and / or the CAF2 program. Thus, leaving no new ground for the  
PUC's review in regards to the decision on granting ETC status to LTD Broadband and  
Broadband Corp.

In conclusion, the PUC should deny the request for reconsideration.

Thank you for your time and consideration.
