**RE: Comments of the Minnesota Department of Commerce, Docket No. P6707/RV-18-501**

Dear Mr. Wolf:

The Department of Commerce (Department) has reviewed and analyzed the current filing. Attached is the Department's checklist for processing revocation dockets. The checklist reflects the Department's analysis of the issues relating to the requirements of Minnesota law and the Commission's rules to support the revocation.

iNetworks Group, Inc. originally received authority to provide resold local and long distance services in Docket No. P6707/NA-08-1425 on April 15, 2009.

The current docket was opened on: July 23, 2018

The carrier's last known address:

125 South Wacker Drive  
Suite 2510  
Chicago, IL 60606

Minnesota Statutes §237.16, subd. 5 states in part, "any certificate of authority may, after notice of hearing and a hearing, be revoked or temporarily suspended, in whole or in part, for: ...failure to meet the terms and conditions of its certificate..."

Recommended Action: Revocation of the certificate of authority held by iNetwork Group, Inc.

Conditions of Revocation:

1. Any Incumbent Local Exchange Carriers (ILECs) that have an interconnection agreement with the carrier should be notified that the carrier no longer has authority to provide telecommunications services in Minnesota and services should no longer be offered under its interconnection agreement(s).
2. The carrier's 911 plan, on October 16, 2012 in Docket No. P6707/EP-12-504 should be cancelled.

The carrier remains responsible for any unpaid regulatory assessments or fees.

The Department intends to petition the Commission to require that all carriers discontinue their services to the carrier pursuant to Minn. Stat. 237.121 (a)(6). For administrative efficiency, this petition will be filed at a future time with other carriers that have recently relinquished their authority or have recently had their authority revoked. A separate docket number will be assigned to that petition.

Sincerely,

Diane Dietz  
Rate Analyst
