##### **C. Date of Filing**

The date of this filing is January 29, 2020.

##### **D. Controlling Statute**

Exclusive electric service territories have existed in Minnesota since 1974, and are considered necessary to encourage the development of coordinated statewide electric service, to eliminate or avoid unnecessary duplication of utility facilities, and to promote economical, efficient, and adequate electric service to the public.

Minn. Stat. §216B.37 provides electric utilities the exclusive right to serve customers within an assigned service territory, and Minn. Stat. §216B.40 prohibits the provision of retail electric service by another utility within that assigned service territory.

Minn. Stat. §§216B.37-216B.47 provide the terms and conditions under which a city may extend retail electric service throughout the corporate limits of the city and authorize and

permit electric utilities to define and revise their electric service territories by their written consent and agreement.

However, two parties may agree to modify the boundary between their service territories if they receive Commission approval after notice and hearing under Minn. Stat. §216B.39, or service by exception is consented to under Minn. Stat. §216B.40. As such, when two parties reach an agreement regarding a change in service territory boundaries, the agreement must be submitted to the Commission for its approval. This Agreement is consistent with Minn. Stat. §216B.39. The Agreement in this petition includes a permanent boundary change, agreed to by both utilities as shown in the Agreement.

2. Existing customers. The Parties acknowledge that there are currently no other existing customers of Xcel Energy's or the Cooperatives located within the Territory Transfer Area.
3. Compensation. At this time the Parties agree that no compensation is owed to Xcel Energy by the Cooperative or to the Cooperative by Xcel Energy for this transfer of service territory.
4. Reservation of Rights: Except as specifically set forth herein, this Agreement does not modify or limit the legal rights of any party.

6. Request for Commission Approval of the Agreement. Upon execution of this Agreement by all Parties, Xcel Energy will prepare and file a Joint Petition to the Commission by the Parties to approve the transfer of the documented Service Area territory, along with this Agreement as evidence of the Parties' resolution of compensation. Upon receiving a draft of such Joint Petition, the Cooperative shall retain the right to review the Joint Petition prior to signature of said document by a duly authorized representative. Upon the signature of the Joint Petition by the duly authorized representatives, Xcel Energy will file the Joint Petition to the Commission by the Parties, along with this Agreement.

If for any reason the Commission refuses to recognize the transfer of service territory described in the Agreement, the Territory Transfer Area shall remain in the Cooperative's assigned service territory.

7. Miscellaneous.

- (a) Entire Agreement and Modification. This Agreement contains the entire agreement and understandings of the Parties hereto

regarding the scope of the Agreement and appropriate compensation for the territory transfer area. All previous communications, or agreements, between the Parties hereto, either verbal or written, with reference to the subject matter of this Agreement are hereby abrogated. No amendment, modification or waiver of, or consent with respect to any provision of this Agreement shall be effective unless the same shall be in writing and signed by a duly appointed representative of all Parties and then any such amendment, modification, waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.

- (b) Assignment. None of the Parties shall assign, or sublet, this Agreement, voluntarily, involuntarily or by operation of law, without the prior written consent of the other.
- (c) Severability. If any provision of this Agreement shall be found invalid or unenforceable, in whole or in part, by a court of competent jurisdiction or the Commission, then such provision shall be deemed to be modified or restricted to the extent and in a manner necessary to render the same valid and enforceable, or if that is not possible, such provision shall be stricken and deleted from this Agreement, as the case may require, and this Agreement shall then be construed and enforced to the maximum extent permitted by law and with the purpose to achieve the fundamental intent of the Parties.
- (d) Choice of Laws. This Agreement shall be construed and interpreted in accordance with the laws of the State of Minnesota and excluding any choice of law or rules that may direct the application of laws of another jurisdiction.
- (e) Release. The Parties do hereby each unconditionally release and waive any and all claims, known or unknown, which they may now have or have in the future arising from any action or omission of the Parties or any fact or circumstance first occurring prior to the date hereof, whether or not continuing in nature, which relate to or arise from the right of either Party to provide electric service to the Territory Transfer Area, including any particular person, area, facility, or site by reason of the electric service territory laws of the State of Minnesota. Provided,

however, the foregoing sentence does not waive or release any claim that either Party may have for any breach of any covenants or any misrepresentations contained in this Agreement.

- (f) Agreement Drafted Jointly. The Parties agree that none of the Parties shall be deemed solely responsible for drafting all or any portion of this Agreement, and in the event of a dispute, responsibilities for any ambiguities arising from any provision of this Agreement shall be shared equally among the Parties.
- (g) Responsibility. Each Party will be responsible for its own acts or omissions and the results thereof to the extent authorized by law and shall not be responsible for the acts or omissions of any others and the results thereof.
- (h) Regulation. The Parties acknowledge that this Agreement is subject to the jurisdiction of the Commission.
- (i) Effective Date. The effective date of this Agreement is the date upon which the Agreement has been signed by a duly appointed representative of both Parties.
- (j) Notice. Any notice permitted or required by this Agreement shall be made in writing and personally served or mailed (postage prepaid, return receipt requested) and shall be effective upon the date of personal service, or if by mail, upon the date of receipt.
- (k) Counterparts and Electronic Signatures. This Agreement may be executed in counterpart, and may be executed by way of electronic signature, and if so, shall be considered an original.
