MPUC Docket No. P999/PR-20-8

**In the Matter of Greater Minnesota
Gas, Inc.'s Petition For Approval Of
2019 Capital Structure And
Permission To Issue Securities**

REPLY COMMENTS

OVERVIEW

Jaguar Communications, Inc. (“Jaguar”) received ETC status for its service area in relation to its award of CAF-II funds. Jaguar submitted its annual Form 481 filing herein on June 30, 2020. On August 31, 2020, the Minnesota Department of Commerce, Division of Energy Resources (“Department”), filed Comments of the Minnesota Department of Commerce Division of Energy Resources (“Comments”) in the instant docket. This submission constitutes Jaguar’s Reply to the Department’s Comments.

DISCUSSION IN REPLY

As Jaguar stated in its Annual Certification filing regarding Form 481 in this Docket, Jaguar does offer low-income service options but it has not requested and does not receive low-income support from USAC. As a result, those portions of Form 481 are not populated in Jaguar’s filing. Similarly, since Jaguar does not seek reimbursement from USAC, it is a natural conclusion that USAC’s records would not show any Lifeline customers in Jaguar’s study area code. The Department concluded that Jaguar does not offer lifeline service and stated that Jaguar did not respond to information requests. With regard to the Department’s conclusion that Jaguar does not offer Lifeline service, Jaguar submits that is not the case. Jaguar does provide qualifying customers with a Lifeline discount but, as further discussed below, Jaguar has not sought reimbursement for the discount from USAC. With regard to the information request issue, upon review of the Department’s Comments, Jaguar reviewed incoming emails to locate the information requests at issue. Jaguar apologizes for its oversight. As the Commission is aware, Jaguar recently underwent a change of control and, as part of the transition subsequent to that transaction, Jaguar is in the process of changing emails, making website changes, and making procedural changes. The information requests were inadvertently directed to a spam folder and were not seen. Jaguar addresses the issues raised therein in these Reply Comments.

As previously stated, Jaguar does offer the Lifeline program but does not seek reimbursement for it. Jaguar consistently has fewer than 20 recipients of Lifeline benefits at any given time. There is no requirement that Jaguar seek USAC reimbursement for the Lifeline discounts and, to date, Jaguar has determined that the potential reimbursement benefits do not warrant the administrative costs in pursuing them. That may change in the future. Jaguar makes its customers aware of low-income programs and benefits during the sales process and has customer materials available. Jaguar also had low income information identified on its website. Jaguar's website is going through multiple transitions to integrate information consistent with MetroNet (its new parent company) and will continue to change. The links to certain information, including low income information, are not currently active. At completion, the revised website will again include low income programming information. Similarly, Jaguar's branding and customer materials are also in a transition period. Jaguar is happy to submit a compliance filing once its materials and website transitions are complete.

REQUEST FOR COMMISSION ACTION

Jaguar does provide low income options including Lifeline despite the fact that it does not seek Lifeline reimbursement. Jaguar's program information, both via its website and in print, are undergoing revision due to Jaguar's transition subsequent to its change of control but will be fully available in due course. Jaguar respectfully requests that the Commission recertify its ETC status.
