

In the Matter of the Petition of Minnesota Energy Resources Corporation for a Variance and Notice of Refund Plan for Northern Natural Gas Pipeline Refund

Docket No. G011/M-20-700

Commissioner Tuma proposes the following amendment to decision options:

2) ~~Require the refund to be allocated to customer classes~~ Approve the Company's refund proposal with the Department's modification of the customer class allocation based on their actual natural gas use during the period January through April 2020 ~~when NNG's [higher] rates were in effect. [Department, MERC]~~
