

In the Matter of the Department of Commerce Workgroup on Wind and Solar Facilities.

Docket No. E999/M-17-123

Commissioner Tuma offers an amendment to decision options as follows:

7. Beneficiary

c) Amend the sample wind and solar site permits to include language requiring the permittee to secure the consent of an impacted local unit of government or some other entity to be named as a beneficiary and, in the event that permittee defaults, to administer the financial surety subject to commission oversight. Further amend the wind and solar site permits to require the permittee to promptly notify the commission of any change in beneficiary and provide documentation of the consent of the new entity to serve as beneficiary as provided herein.
