Savage Communications will be offering Broadband internet services and Voice over the Top (VoIP) services in the eligible RDOF Census blocks. In support of its Petition, Savage states as follows:

A. The legal name, address and telephone number of the Petitioner and its designated contact person are as follows:

Savage Communications PO Box 810 115 Tobies Mill Place Hinkley, MN 55037 Contact Person: Scott Savage (320) 384-7442, ext. 708

- E. Savage's Petition for designation as an ETC for the Service Area is consistent with the public interest, convenience and necessity, and satisfies the requirements for receiving universal service support under state and federal law, for the following reasons:

SAVAGE POSSESSES THE INTENT AND CAPABILITY OF PROVIDING SERVICE UPON REASONABLE CUSTOMER REQUEST THROUGHOUT THE SERVICE AREA

- 1. Savage Communications is a provider of broadband services and Voice Over the Top (VoIP) services. Neither of these services are regulated by the MN PPUC.
- 2. <u>Savage's Facilities and Commitment to Serve</u> Savage will provide the services throughout the Service Area using its newly-installed fiber-optic cable facilities in Minnesota. Savage will place fiber to the home going forward, in the Proposed Service Area.

Savage is committed to provide service throughout the Service Area to all customers making a reasonable request for service. Savage certifies that it will: (a) provide service on a timely basis to requesting customers within the Service Area where Savage's network already passes the potential customer's premises; and (b) provide service within a reasonable period of time, if the potential customer is within the Service Area but not passed by Savage's current network facilities, if service can be provided at reasonable cost by (i) modifying or replacing the requesting customer's equipment; (ii) adjusting network or customer facilities; (iii) reselling services from another carrier's facilities to provide service; or (iv) employing, leasing, or constructing network facilities.

- 3. <u>Savage's Basic Universal Service Offering</u> Savage will provide Voice Over the Top and Broadband internet services to customers in the Service Area, that will meet these requirements:
 - All VoIP service offerings will include 911 or enhanced 911.

In addition, the availability of the offering throughout the Service Area will be listed continuously on Savage's 's web site (currently anticipated to be located or linked at: <u>https://www.scibroadband.com/</u>. For advertising the Lifeline program Savage will make information on Lifeline available on its website and through customer bill messages.

DESIGNATING SAVAGE AS AN ETC IN THE SERVICE AREA WILL SERVE THE PUBLIC INTEREST

- 5. <u>Public Interest</u> Designation of Savage as an additional ETC in the Service Area is in the public interest. Consumers will benefit from an increased choice in service providers, and there are unique advantages to Savage's service offerings.
- 6. <u>Superior Service Offering</u> Savage believes its service offering is superior to that of the incumbent(s), for customers in the Service Area. Savage presently has fiber to the home in parts of the Proposed Service Area and plans to place fiber to the home going forward, offering a technically superior network to other competitors.
- 7. Savage believes customers will additionally benefit from choosing a locally owned and Minnesota based provider which has demonstrated its commitment to and success in responding to the service needs of its customers.

ETC CERTIFICATION

- 8. <u>Request for Certification</u> Savage requests that the Commission certify its use of universal service support effective as of the date of Savage's ETC designation for the Service Area.
- 9. <u>Savage's Certification</u> In support of its certification request, Savage hereby certifies that it will use all federal high cost universal service support for the purposes intended pursuant to 47 USC § 254(e).

CONCLUSION

10. Savage meets the requirements of federal laws and regulations for designation as an Eligible Telecommunications Carrier in the requested Service Area. Pursuant to 47 USC § 214(e), the Commission should designate Savage as an Eligible Telecommunications Carrier for the Service Area. In so doing, the Commission will ensure that consumers in the Service Area have an opportunity to secure better and more reliable service at rates equal to or less than that which they are currently paying. The consumers in the Service Area will benefit and the public interest will be served if Savage 's Petition is approved and it is designated as an ETC.

Therefore, Savage respectfully requests that the Commission:

- A. Designate Savage Communications as an ETC for receipt of federal universal service support with respect to the RDOF Service Areas specified in this Petition;
- B. For such other and further relief as the Commission may deem just and reasonable.

Respectfully submitted,
