**** E002/M-20-620 Northern States Power Company, d/b/a Xcel Energy**

In the Matter of a Petition from Northern States Power Company, d/b/a/ Xcel Energy, for Approval of Updated Pricing for the Border Winds and Pleasant Valley Wind Repowering Projects.

1. Should the Commission approve capital costs higher than previously-approved in this proceeding for the Border Winds and Pleasant Valley wind repowering projects?
2. Should the Commission continue to allow Xcel Energy to pursue cost recovery of the Border Winds and Pleasant Valley wind projects in a future Renewable Energy Standard Rider filing?
3. Should the Commission require Xcel to refund ratepayers if wind production tax credits (PTCs) are less than what the Company assumed in its October 14, 2022, Pricing Update? (PUC: **Stalpes**)
