**** E002/GR-13-868 Northern States Power Company d/b/a Xcel Energy**

In the Matter of the Application of Northern States Power Company for Authority to Increase Rates for Electric Service in the State of Minnesota.

Should the Commission grant the petition for reconsideration of its August 31, 2015 Order as requested by the Office of the Attorney General?

If so, should the Commission change or modify its decision authorizing Xcel to recover its 2015 revenue deficiency as it accrued beginning on March 3, 2015 and through the date new, final rates are put into effect? (PUC: **Harding**)

The Commission has the authority to accept or decline a petition for reconsideration **with or without** a hearing or oral argument. (Minnesota Rules 7829.3000, Subpart 6) In other words, a decision on a petition for reconsideration can be made without taking oral comments at the Commission meeting.
