- * **G999/CI-18-41** **All Commission Rate Regulated Natural Gas Utilities**
In the Matter of a Commission Investigation into Natural Gas Utilities' Practices, Tariffs and Assignment of Cost Responsibility for Installation of Excess Flow Valves and Other Similar Gas Safety Equipment.

Should the Commission approve the proposed excess flow valve (EFV) tariffs?

Should the Commission accept the proposed customer notices as substantially compliant with 49 C.F.R. § 192.383?

Should the Commission accept the utility specific payment plans for customer requested installation of an EFV on an existing natural gas service line?

Should the Commission determine that the rate regulated natural gas utilities have complied with all of the filing requirements of the Commission investigation and close the docket? (PUC: **Bonnett**)
