**** E,G999/CI-08-133 All Investor-Owned Electric and Gas Utilities**

In the Matter of Commission Review of Utility Performance Incentives for Energy Conservation.

Should the Commission approve the proposed modifications to the existing Shared Savings Demand-Side Management (DSM) Financial Incentive Mechanism for implementation beginning in 2024, as found in the Department of Commerce, Division of Energy Resources' September 1, 2023, comments? (PUC: **Strauss, Zhang**)
